Enrollment Of 700 for New Junior High in '68

Tentative Boundaries Are Announced; Final Budget, Levy Action

The Granite City school board last night disclosed a junior high school districting plan which would assign 700 students to the new Grigsby school, Pontoon and Cargill roads, when it opens next fall.

Coolidge enrollment would be trimmed to 175. Central would be reduced to 550 and Prather would be maintained at 825.

Action on the August 1968 boundaries was set for the Oct. 9 school board meeting, after which pedestrian access and other pre-opening planning will be carried out by the administrative staff.

In taking no action on the boundary proposal last night, board members invited residents to familiarize themselves with the plan and to identify potential problems to Frank Kraus, assistant to the superintendent.

The Grigsby junior high school zone is to consist of the Maryville grade school area, excluding Hills Terrace; the part of Nameoki grade school east of Maryville road; the part of Parkway east of Maryville road; the section of Lake east of Eduardo drive; the part of Mitchell east of the Alton & Southern railroad crossing; and Stallings grade school.

Less Coolidge Traffic Coolidge, which will lose all but one of its present bus routes — easing the road traffic congestion — is to be absorbed into the Marshall grade school area now assigned to Central.

Coolidge is to serve all or part of Frohard, Marshall, Nameoki, Nidringhaus, Parkway, Webster, and Prather — Emerson, Lake, Logan, McKinley, Maryville, Mitchell and Washington, and Central — Lake, Emerson, McKinley, Webster and Wilson.

In other business, the board adopted without change its proposed 1967-68 operating budget of \$9,850,000, up \$1,072,133, and its proposed 1967 tax levy of \$3.46, up \$0.24.

Direct action was taken on \$4,808,294 on the levy, and the added \$48,193 for bonds and interest.

14 Undergo Surgery At Hospital Here

The following have undergone surgery since Monday at St. Elizabeth Hospital:

Oriel Bone, 49 Shrivin drive; Georgia Wargin, 919 Grand avenue; Florence Bellinger, 2220 Adams street; Janet Thomas, 1404 Norwood drive; Gerald Wilson, 2220 Wendover; Daniel Hilkman, 2127 Illinois avenue; Daniel Wiedewitz, Collinsville.

Pauline Sobolewski, 1084 Alton avenue, Madison; Linda Schneider, 2104 Cleveland boulevard; Sharon Jackowski, 2870 Iowa street; Olga Goodrich, 2401 Hillman, 1527 Garfield avenue; Irene Singleton, 2747 Sunset drive; Elycia Nelson, 1552 Sunset street, Madison.

Three Madison Policemen Given Rank Advancements

Three officers of the Madison police department were promoted to sergeant last night.

The promotions were approved on the basis of qualifying examinations taken by five department members.

Council members approved promotion of Frank Dutko, 1808 Fifth street, to the rank of captain, and promotion of Patrolman Richard Krieschok, 1115 Reynolds street, and Patrolman Norris Horton, 807 Bissell street, to the rank of sergeant.

Dutko, 40, is a lifelong resident of Madison and has been a member of the Madison police force since February 1960. He was advanced from patrolman to sergeant in February 1963, and from sergeant to lieutenant in May 1964. He is married and has five children.

Krieschok is 27 and has been a patrolman 11 years, since April 1956. He is married, has two daughters and is a lifelong resident of Madison.

Horton joined the force in January 1963. He is 21, married, has two children, and also is a lifelong resident of Madison.

The new ranks with accompanying salary increases, became effective Oct. 1.

(Continued on page 10, col. 3)

Madison School Levy Up \$30,085

\$1,889,091 Budget Approved; To Invest \$400,000 at Interest

The Madison board of education adopted 1967 tax levies totaling \$760,498, up \$30,085, and a 1967-68 budget of \$1,889,091, down \$389,557 from a year ago.

The final version of the budget was increased by \$3000 but remained considerably below that of last year, principally because there are no new building projects on this year's calendar.

The summer school expenditure in the budget was increased from \$14,000 to \$22,000, as Title I federal funds will be insufficient to cover the summer program. Expenditures for community services were cut from \$3000 to \$2000.

Ramond Dryden, superintendent, noted an increase in state aid of \$8523 to \$782,300 to be received during the fiscal year.

Salary increases The new budget reflects teacher salary increases of \$28 to \$68 per month, costing \$40,000; principal salaries, \$28,000; annual increments plus \$50 additions to salary supplements for athletic coaches and their assistants.

The new levies include: educational fund, \$488,000; building fund, \$100,200; bonds and interest, \$129,313; transportation fund, \$15,000; municipal retirement fund, \$28,200; and transportation fund, \$22,207, \$400,000 investment.

McKinley Bridge Budget Boosted

Venice Adds \$26,936 For Salary Increases, Higher Insurance Cost

A new McKinley Bridge operating budget of \$347,625 for the 1967-68 year, embodying wage increases for all bridge employees, was adopted by the Venice city council Tuesday night.

At the same time the council approved a separate budget for the bridge Replacement and Improvement fund, totaling \$115,000 of which \$75,000 is earmarked for replacement of more of the bridge's guard rails.

The new budget is an increase of \$26,936 over the \$320,689 budget previously approved by the council early last month and is \$30,689 higher than the 1966-67 budget of \$316,903.

Mayor John E. Lee, who said the council salary increases as well as the Replacement and Improvement budget were approved by Hardesty & Hanover, New York engineering firm which supervises bridge operations in behalf of the bondholders.

Upward revision of the regular budget and the R&I budget was made after the tentative budget was sent a month ago to Hardesty & Hanover for their approval.

Effective Oct. 1, the new operating budgets will become effective Oct. 1, beginning of the new fiscal year.

Of the amount of the increase over tentative budget figures, \$6366 will go for the salary increases, \$20,000 for insurance will be added to the budget for insurance premiums.

Effective during the 1967-68 year, the insurance costs will jump \$40,000 per year under a new requirement that the city carry "full replacement" insurance which would guarantee complete replacement of the bridge or any part of it.

Additional premium costs will be its confirmation of bridge operating costs and will bite further into bridge income to the extent of regular bridge administration officials are certain this year will be in which the city will receive its full replacement cost.

The "full replacement" coverage will be in effect for the year.

Changes in Clean Air Ordinance Stated

Legal Opinion Pending In Double Vote Switch By Alderman Green

Proposed changes in Granite City's Air Pollution Control ordinance for conformity with state standards were stated Tuesday night by Alderman Green.

Outcome of the vote for first reading on the ordinance to amend the more stringent city law now awaits a vote-switching procedure legal opinion that was not available at Tuesday night's carryover meeting.

It is to be submitted at the next meeting on Friday, Sept. 29, by City Atty. Allen, who was tied up all day Tuesday in the Appellate Court at St. Louis on the city's seven-month old appeal on a ward redistricting order.

Seeking a change in the law, Alderman Green said they were to be before the July 3 ordinance recommended by the city Air Pollution Board was in compliance with the state law, only to learn later it was based on the standards set by the Interstate Study which were termed beyond the reach of present technology.

Alderman Ford Johnson in presenting the state standard amendments for first reading, emphasized that the intention is to bring Granite City into compliance with the state law, only to learn later it was based on the standards set by the Interstate Study which were termed beyond the reach of present technology.

City Clerk Pendleton received the vote for first reading as 9-0, with Alderman Claude Green said his vote was "No," putting the tally at 8-0-1.

At that point the votes favored the ordinance as proposed by Dallas, Moerlein, Whitmer, Basarich, Parmley, Robertson, Johnson and Johnson. Opposed were Bartoski, Boyd, Poulos, Green, Fry and Jarrett. Those absent were Rutledge and N.

Mayor Partney declared the motion had lost, but then he was asked to vote on the issue. "No," Bartoski commented.

As the mayor was remarking that he would open his board, Green changed his vote to "Yes." "Yes, and there were immediate demands for rulings on the issue of the ordinance and for legal opinions.

2-Hour Debate, Decree By that time the debate on the issue had gone on for nearly two hours and it was 10:30 p.m. A five-minute recess was called for the city attorney to check procedures.

After 15 minutes, the council reconvened, Atty. Allen said the ordinance would be approved before Green could change his vote.

He added that the correct procedure is for the clerk to tally the vote and then pass the information to the mayor, who is to announce the results. This has never been done by the council.

The motion for reconsideration, he added, would have to be made by the prevailing side. The council then entered into a dispute on which was the prevailing side—the group with 8 votes or the group with 6 votes.

Allen first said the 8-vote group prevailed, but then he believed it might be the 6-vote group, since the motion had lost.

He finally decided to research the matter and present the legal opinion to the council at its next meeting.

Opening Date of Ice Rink Awaits Work Estimate

Seeking a change in the law, Alderman Green said they were to be before the July 3 ordinance recommended by the city Air Pollution Board was in compliance with the state law, only to learn later it was based on the standards set by the Interstate Study which were termed beyond the reach of present technology.

Alderman Ford Johnson in presenting the state standard amendments for first reading, emphasized that the intention is to bring Granite City into compliance with the state law, only to learn later it was based on the standards set by the Interstate Study which were termed beyond the reach of present technology.

City Clerk Pendleton received the vote for first reading as 9-0, with Alderman Claude Green said his vote was "No," putting the tally at 8-0-1.

At that point the votes favored the ordinance as proposed by Dallas, Moerlein, Whitmer, Basarich, Parmley, Robertson, Johnson and Johnson. Opposed were Bartoski, Boyd, Poulos, Green, Fry and Jarrett. Those absent were Rutledge and N.

2-Hour Debate, Decree By that time the debate on the issue had gone on for nearly two hours and it was 10:30 p.m. A five-minute recess was called for the city attorney to check procedures.

After 15 minutes, the council reconvened, Atty. Allen said the ordinance would be approved before Green could change his vote.

He added that the correct procedure is for the clerk to tally the vote and then pass the information to the mayor, who is to announce the results. This has never been done by the council.

The motion for reconsideration, he added, would have to be made by the prevailing side. The council then entered into a dispute on which was the prevailing side—the group with 8 votes or the group with 6 votes.

Allen first said the 8-vote group prevailed, but then he believed it might be the 6-vote group, since the motion had lost.

He finally decided to research the matter and present the legal opinion to the council at its next meeting.

Mayor Partney declared, "Until the attorney has a legal opinion, I would say the motion for first reading did not pass."

Tuesday's Night's Action At Tuesday night's carryover meeting, Alderman Green presented a motion, stating he wanted to change his vote from "No" to "Yes."

Mayor Partney commented, "I think you're using the wrong tactics. Last night I would wait for the legal opinion, and the city attorney is not here."

Green replied that he did not want to wait for the legal opinion, and the city attorney is not here.

Fish Market Operator Beaten, Robbed of \$28

Leo Spanholz, 72, of 701 Layton road, was beaten and robbed by three young men at his fish market on Horsethough street, Wednesday night.

Spanholz was struck in the face and was admitted to St. Elizabeth Hospital with a bleeding and swollen nose.

The trio came to his home asking for water for the fish market, which was stopped down the road, Spanholz told deputies.

He took them to his fish market, where the assault occurred. His wallet containing \$28, keys and papers were taken.

Spanholz was unable to give deputies a description of the robbers, but said one had a red jacket and another carried a small gun.

An auto with two youths and a red bucket was seen stopped by a train along Bend road shooting, it was reported by deputies.

Burglars took \$35 from a register at the Wagon Wheel Tavern, Eagle Park Acres, between 5 and 8 p.m. Wednesday.

Appellate Court Hears GC Redistricting Appeal

A decision is expected in three or four weeks on the city's appeal of the pre-election order by Judge I. H. Streeter III for Granite City to hold an at-large election and redistrict the city for seven wards instead of eight.

The city's appeal to the Appellate Court at St. Vernon was for redistricting by order of Atty. Richard Allen and Atty. Dick H. Mudge of Edwardsville representing the city.

For the city, who was accompanied by Atty. Richard Fry, gave a report to the council members during the adjourned session Tuesday night.

The "full replacement" coverage will be in effect for the year.

At the two-hour inquiry held at the Granite City hall, Deputy Coroner Atty. Cease questioned two witnesses, Mrs. Nora Harder, the widow, and Walter Sharville, another Chouteau Slough road resident.

She told of disturbances and threats made by Terry Thwait, Landlord of the Chouteau Slough road, according to testimony during the hearing which began Monday afternoon. Carroll is a mechanic.

A coroner's jury last night returned a verdict of death by homicide caused by multiple shotgun wounds to the chest and arms fired from a 12-gauge shotgun or shotguns by the hands of a party or parties unknown to the jury.

At the two-hour inquiry held at the Granite City hall, Deputy Coroner Atty. Cease questioned two witnesses, Mrs. Nora Harder, the widow, and Walter Sharville, another Chouteau Slough road resident.

Simon Definite on U.S. Senate Candidacy

State Sen. Paul Simon of Troy definitely has committed himself to run for U.S. Senate in the 1968 election.

Simon, who has received considerable encouragement, the senator said.

His confirmation of earlier reports that he seeks to oppose Republican U.S. Senator Everett M. Dirksen next year in general election comes at a time when the political slate-making is still six months away.

"I am definitely interested in making the race. I have been busy sounding out Democratic leaders and they have received considerable encouragement," the senator said.

Simon plans to leave Oct. 24 for a three-week trip to Vietnam for first-hand observation of the war picture so that he can see what the real situation is and be prepared for the "real possibility that all this Democratic candidate for senator."

He said he has been touring Greece, Israel, Italy, Poland

and Berlin. Much of his traveling, including the Asian trip, is financed out of his own pocket, although he has received some contributions from sources that, he said, are "interested in my political future."

The Madison County Democratic Central Committee, about a month ago, gave Simon \$2000 toward his campaign. At that time reports were that the senator already had the nod from Chicago Mayor Richard Daley, the state's most powerful political leader, but Simon insists this isn't so.

Met With Daley He said he has met with Mayor Daley, who has no commitment. Rumor had it that Daley's acceptance of Simon as the candidate depended upon the senator coming up with a \$25,000 contribution to the state campaign fund. This also is not true, Simon declared.

"I have heard the rumor and believe the \$25,000 figure came into it because that was the figure I estimated that it would be necessary to pay expenses for my traveling between now and next spring in my campaign."

United Fund Agencies Aid Thousands of Quad-Cityans

How many youngsters and adults were aided this year by the 20 agencies of the Tri-Cities Area United Fund?

M. B. Miloski, general chairman of this year's \$384,000 fund campaign, and Gerhard Anderson, vice-chairman, have the answer—10,288 individuals.

Among those helped are bedridden, needy persons requiring nursing care, who receive treatment prescribed by their doctor from the Visiting Nurse Association.

There are husbands and wives who are given counseling by the United Fund's Family Service Agency.

Catholic Charities and Protestant Welfare also aid the needy, household furnishings and emergency food orders as well as religious and moral counseling to nearly 200 individuals a month, Chairman Miloski said.

And the Salvation Army also is a "helping hand" with emergency relief food, clothing and shelter for families and individuals of the community, as well as the needy who are active for young persons and senior citizens.

Youngsters with problems can find the answers at Coordinated Youth Services, and there's the Boys Town of Illinois that is a home for disturbed, neglected boys.

The local Red Cross Chapter is always ready to aid the servicemen and his family as well as provide services to the community, such as first aid and home safety courses.

The Red Cross and Salvation Army staffs and volunteers often work side-by-side at the scenes of disasters in the local community and surrounding area.

Not all of the services provided by United Fund Agencies are (Continued on page 22, col. 4)

Approve Financing Plan To Build New Clubhouse

The combined membership of the Sunset Hills Country Club and the E. G. Golf Club, Inc., owner of the club property, approved Monday night a plan to borrow a sum not to exceed \$600,000 to finance construction of a new clubhouse.

The proposed new structure would replace the clubhouse which was almost entirely destroyed by fire late in the summer of 1966. The borrowed funds will be secured by a mortgage on the club property.

A club spokesman said the action is expected to clear the way for beginning construction work in the near future, although a contract has not yet been signed. Bids were opened last Aug. 23.

The spokesman pointed out that the bids were subject to some re-negotiation, accounting for delay in signing a contract.

The new building is to be a catwalk four-lot - 4p two - story brick structure located immediately south of the old clubhouse and annex. It will be of contemporary, French Provincial design.

The south portion of the new building will be one story with easy access to the golf course from rear locker rooms. The second floor on the other section of the building will house a dining room, dancing area, kitchen facilities and offices.

Bernard Keeney of the Alton architectural firm of Keeney & Stolz, said eight general contractors bid last Aug. 23 on construction of the building, and that the Leo Wolf Contracting Co. of Granite City was apparent low bidder. Pending contract negotiations, amount of the bids were not disclosed.

Partney, Parmley \$120,000 Out-of-Court Settlement for GC Man Argue over Bill

A dispute between Mayor Partney and Sixth Ward Alderman Parmley flared during Tuesday's adjourned meeting of the Granite City council, developing over the mayor's statement that he would refuse to pay an engineering bill for special improvement projects that were not budgeted.

The bill for \$227 from Research Planning and Design Associates was held in abeyance. The mayor told council members he had advised the firm not to do any planning of special improvements until after the city budget was adopted. He vetoed many of the planned improvements.

Parmley charged the mayor with giving approval to favored special improvement. Parmley added that it was necessary for aldermen to ask the engineering firm for help in getting improvement cost figures for the budget.

Mayor Partney replied that he had been keeping close watch on costs and that even though under the contract the city is entitled to 40 hours engineering work a month without charge, it is necessary for aldermen to double-check before they proceed with any orders for the engineering staff.

Moerlen entered the debate and said the mayor should also have advised the council of the instructions he gave the engineers.

Approval was given a change order recommended by the engineer for the Cottage avenue improvement project where a section of old curbing and catch basin must be lowered to match the new installation. G. H. Sternberg & Co. was authorized to do the added work at a cost of \$208. The added cost for the motor fuel tax project is expected to be covered by a savings that resulted from removal of fewer trees.

Steps are to be taken by the city legal staff and engineers aided by Street Supt. Warfield, in getting access to a sanitary sewer line between Aubrey and Davis avenues in the 2000 block where a sewer break is anticipated. The line is not located on the easement.

Approval was given payment of a bill to A. H. Seebold Co. for installation of a drainage line for the Lincoln Place parking ground. The amount was \$1331.

An out-of-court settlement amounting to \$120,000 was reached Monday in the local circuit court for Elmer Grady of 2723 Harding blvd., who had filed suit against Norfolk & Western Railway.

Grady claimed that while he was working for the railroad on a piggyback car Nov. 5, 1964, a defective brake knocked him from the ground and injured his back.

His attorneys, Morris B. Chapman and Norman H. Kinder Jr., believe this to be the largest out-of-court settlement for the local court.

Judge Fred P. Schuman was the presiding judge.

Amsted Industries Plans New Litho-Strip Plant

Amsted Industries, which includes American Steel Foundries of Granite City, announced yesterday it plans to build a new plant for Litho-Strip Corp., one of its Chicago-based operating units, in Penn Warner Park, Pa., about 20 miles northeast of Philadelphia.

The plant will cover approximately 66,000 square feet on a 10-acre site and will prefinish coils of steel and aluminum by the application of painted coatings.

Joseph B. Lanterman, Amsted president, said the plant is expected to be in operation in the last half of next year.

Auto Window Broken

SCOUTS PLAN TEA, TRIP
Junior Girl Scout Troop 794 met Monday afternoon at Webster school with the leaders, Mrs. Mae Lee and Mrs. Marian York.

A flag ceremony was given by the Bluebird patrol and the troop members repeated the Girl Scout laws. Debbie Bird was appointed scrapbook chairman and Vicki Welty is Juliette Lowe chairman.

The girls made invitations for a tea they will give for their mothers Sept. 25. They discussed plans for a trip to the Grafton area in October. Scout songs were sung and the meeting closed with a "disappearing tunnel" following presentation of patrol cards to patrol leaders Mary Sartin and Alan Hozian.

Troop members attending included Gina Blason, Mary Chapline, Pam Emring, Sharon Emring, Carole Griffin, Patty Harrington, Connie Hozian, Karol Lee, Vicki Welty, Patty York and Theresa Rushing. Guests were Diane and Dorothy Null.

CAMP DESPITE RAIN
Cadette Girl Scout Troop 1179 returned to Granite City Sunday with its leaders, Mrs. Peggy Mangan and Mrs. John Telf, following a weekend of camping at Girl Scout Camp Chan-Ya-Ta.

In spite of rain, the troop worked on the camp craft badge, camped in tents and cooked outdoors. Attending were Georgia Aerne, Karen Dochwat, Sharon Duke, Karen Ebrecht, Karen Jans, Vicki Kating, Greta Bartler, Joan Melson, Nancy Miller and Gerald Pinlerton.

Guests of the troop were Carol Lasso, Phyllis Barnes and Brian Mangan.

Transportation for the trip was provided by Mrs. Marilyn Aerne, Mrs. Betty Ebrecht, Mr. and Mrs. Kenneth Kating and Gerald Pinlerton.

The Troop 1179 meeting next Monday evening will be held at the home of Mrs. John Telf, 2333 Cardinal court.

TEA FOR MOTHERS
A tea to welcome mothers of Webster school kindergarten students was given Tuesday afternoon by the PTA, executive board in the school cafeteria.

Mrs. Elsie Girard, Webster PTA president, welcomed the mothers and asked that the new parents participate in the school's "spook carnival" Oct. 27. Miss Betty Lavelle and Mrs. Ruth Jensen, kindergarten teachers, were introduced and prizes were awarded.

Mothers attending included Mrs. Linda Tankaley, Mrs. Harriet Delois, Mrs. Carmen Grider, Mrs. Rosalee Bronnhauser, Mrs. Barbara Thebeau, Mrs. Paula DePew, Mrs. Paul Gabriel, Mrs. Ralph Lichenbrock, Mrs. Nancy Bernak, Mrs. Geraldine Clay, Mrs. Mary Sharp, Mrs. Yvonne Ellis, Mrs. Arline Moore, Mrs. Bill Moss, Mrs. Jo Edwards, Mrs. Jane Hall, Mrs. Betty Harris, Mrs. June Parsons, Mrs. Elynn Curtis, Mrs. Ray Sykes, Mrs. Ruby Williams, Mrs. Jackie Watkins and Mrs. Mille Hand.

Fall flowers decorated the refreshment table for the tea, and members of the PTA board who served were Mrs. Betty Woodruff, Mrs. Shirley Tolan, Mrs. Jackie Watkins and Mrs. Nae Lee.

Man Gets Six Months In Prison, Fined \$125
Floyd Wallace, 22, of 918 Madison avenue, Madison, was sentenced to six months at the state prison farm in Vandalla Tuesday in magistrate's court on a charge of eluding police officers in connection with a traffic case on Sept. 14.

He also was fined \$100 and costs for leaving the scene of an accident and \$25 and costs for illegal possession of liquor. Penalty for three stop in violations were served out in jail, and charges of driving without a license or state plates were dismissed.

Former Granite Cityan Jas. Rae, Dies in Florida
Funeral services were held Wednesday in Miami, Fla., for James Rae, 88, a cousin of Mrs. A. J. Shannon, 3201 Carlson avenue, and a former Granite Cityan who died Saturday in Memphis, Tenn., following surgery at a hospital there.

Survivors include three children, a sister, Mrs. Irene Logan of River Rouge, Mich., and a brother, John Rae of Florida.

Shoplifter Fined
Marshall Savant, 2185 Benton street, was arrested on a shoplifting charge at 3:25 p.m. Monday at Grant's store in the Nantmole Village shopping center. She was fined \$70 Tuesday in magistrate court and returned to jail in lieu of payment.

NAMEOKI

MRS. DONNA HOGAN
2305 Wilschire Drive - TR 7-0127

HONORED AT SHOWER

A stork shower complimenting Mrs. Russell Marti was given Sunday afternoon in the parlor of Central Christian Church. Hostesses were Miss Helen Gyrarnati, Mrs. Carol Grimm and Mrs. Joyce Willmore.

Individual folding tables were set up in the hall with pink and blue carnation centerpieces. Favors were petit four cakes topped with storks in a bed of safety pins.

The gift table held an arrangement of multi-colored roses and the buffet table was centered with a large musical stork and pink lighted candles on each side. Napkins and serving dishes were inscribed in the stork theme.

Several games were played and prizes were awarded, followed by the honoree opening her gifts, assisted by Mrs. Grimm. A corsage of pink and blue ribbons with miniature baby items attached was presented to Mrs. Marti by her nephew, Jeffrey Grimm.

Guests were the prospective grandmothers, Mrs. Irma Marti and Mrs. Bernice Grimm, and prospective great-grandmothers, Mrs. Laura Chosich and Mrs. Ann Belin of Highland, and Mesdames Bernice Grimm, an aunt, and Louise Chosich, Nancy Chosich, Ruby Hart, Mary Billiter, Olga Varian, Daine Wheeler, Alma Paschedag, Hilda Lombardi and granddaughter, Beckey Price, Marge Norwood, Betty Pieper.

Isabel Hopkins and Anneliese Gyrarnati. Miss Carol Marti and out-of-town guests, Mrs. Leona Marti, Mrs. Loretta Marti and Mrs. Elvera Belin and daughters, Marilyn and Janice.

BRIDGE CLUB WINNERS

Winners in games of the Granite City Duplicate Bridge club Sunday evening at the Elks club were Mrs. Betty Caldwell and Mrs. Helen Meyer, first, Al Schaefer and Fred Nemon, second, and tied for third place, Mr. and Mrs. Paul Densford, William Bunte and Sam Meyer.

On Monday morning, the Nameoki Duplicate Bridge club gathered in the home of Mrs. Meyer, 2832 Yale drive, for its weekly session. First-place honors went to Mrs. Karmyn Edmonds and Mrs. Lena Mae Schmaeker and Mrs. Meyer and the boys, Don mothers transferring the scouts then gave short talks.

The clubs will meet Sept. 24 and 25 under the direction of Mrs. Meyer.

CUB PACK 24 HOLDS FIRST FALL MEETING
Cub Pack 24 of Frohardt PTA held its first monthly meeting of the fall Monday evening in the school gym.

The opening flag ceremony was presented by Den Five, followed by Cubmaster Wesley Stille welcoming the scouts and their parents.

Don Rivenburgh spoke on the new scout, Marvin Kessler, was introduced. Games were played under the direction of Den One and the closing ceremony was by Den Five. Mothers of Den Three served refreshments.

The pack will meet on each third Monday at the school.

Mr. and Mrs. Emilie Damotte, 2301 Missouri avenue, spent the weekend in Pekin, Ill., visiting their son and daughter-in-law, Mr. and Mrs. Emilie Damotte and daughter, Jackie Sue.

Mr. and Mrs. Michael Ryan, 2227 Edna street, are announcing the birth of their first grandchild, born Monday at St. Elizabeth Hospital. She is the daughter of Mr. and Mrs. Gary Morris, 4081 Sara street, and has been named Tracey Ann. She weighed nine pounds, one ounce. Mrs. Morris is the former Pat Mitchell.

MRS. CAVIN HOSTESS TO DIZZY DOZEN CLUB
Mrs. Doty Cavin was hostess Monday evening to the Dizzy Dozen club for its monthly meeting. The group met in her home, 1657 Sycamore avenue, and honored Mrs. Kathy Dumoulin on her birthday, each member and her secret pal

presenting her with a gift. The evening was spent playing Yahtzee and prizes went to Mrs. Dumoulin, first, Mrs. Page Curtis, second, and Mrs. Anita Sprankle third.

Tentative plans were discussed for the club's annual Christmas dinner party early in December. A final date will be announced later.

The hostess served a late luncheon to those named and Mrs. Donna Patterson and Mrs. Marilyn Patterson, Mrs. Curtis was selected as the club Oct. 23 in her home, 1624 Courtenay blvd.

MARYVILLE BOARD HOLDS INITIAL MEETING
The initial fall meeting of the Maryville school PTA board was held Tuesday evening, with Guy Lahr, vice-president, presiding.

The announced committee chairman for the new year, Harold Brandon, legislation: Mrs. Donna Brandon, savings stamps; Martin Shoat, health and safety; Mrs. Betty Warren, publicity; Mrs. Eva Asher, room mothers; Mrs. LaVerne Malzynski, treasurer and PTA magazine subscriptions; Mrs. Mary Stoval, ways and means; John Mulach, the new principal.

Also discussed Oct. 10 will be a change in present by-laws and adoption of a PTA budget.

21st-Lee Accident
Autos driven by Lillian M. Showers, Collinsville, and David Farley, 2210 East 21st street, collided at 12:35 p.m. Tuesday at East 22nd street and Lee avenue. She was charged with failure to yield right-of-way with a control present.

Carpenters Council Open House Saturday

The Carpenters District Council will hold open house from 10 a.m. to 4 p.m. Saturday at its new headquarters building, 901 West Chain of Rocks road.

The \$150,000 brick building, completed recently, contains a large meeting hall, executive offices for business agents, an office for three secretaries and a large lobby. The structure has dimensions of 115x54 feet.

The district council joins offices of carpenters locals from Granite City, Edwardsville and Alton, with the site selected as a central location between the three cities. Eugene Ellberg of Granite City is secretary-treasurer.

Madison Adopts Sales Tax Again, Seeks Approval

An ordinance providing for a 3/4-cent sales tax for the city of Madison has been rejected a second time by the state and a new ordinance—the third—was adopted at a meeting of the city council Tuesday night.

The tax now cannot take effect until Oct. 1, and Mayor Stephen Maeras complained that the city is losing sales tax receipts for August and September.

A 1/2-cent hike in the half-cent-a-dollar sales tax for municipalities was provided by the last session of the state legislature, but new ordinances were required and many municipalities were not informed as to proper terminology.

In other business the liability of the city in case of injury or property damage when emergency police departments are asked for assistance was questioned during the meeting.

The legal department was requested to study the city's insurance coverage in such cases called to Madison would be to see if other police officers covered.

Police departments in this area have been operating on a cooperative basis, as do fire departments. It was noted that Madison's insurance covers out-of-town firemen.

Mayor Maeras reported that he has yet to receive a check from the city of Madison for the \$100,000 bond he has to post for the city's pollution control director, over smoke allegedly being emitted from the Purdy Co. and Hyman-Michaels Co.

In seeking enforcement of state air control laws against open burning, Maeras' letter of Sept. 5 cited smoke which often blankets the city, attributed to open burning by salvage firms.

He noted that the Fox Brothers Co. solved its pollution problem by installation of filters after the city complained.

Police Promotions
Upon recommendation of the Board of Fire and Police Commissioners, the council approved promotion of Police Lt. Frank Dutko to the rank of captain and Patrolman Richard Krieschok and Morris Richard to sergeants, effective Oct. 1.

William E. Thompson was appointed as a special policeman to direct school traffic.

The council approved the sale of part of the Chain of Rocks Bridge property, on the Missouri side of the river, to Clarence Etheridge of Granite City on his high bid of \$40,000. The Reinhardt Agency bid \$25,000. Proper easements are being prepared by the legal department.

Mayor Maeras reminded the council that the annual Illinois Municipal League convention will be held Saturday through noon Tuesday at Springfield. Most aldermen and other city officials plan to attend.

GC Jaycees to Honor Former Club President

Mr. and Mrs. Michael Day, who are leaving the community next week to make their future home in Moberly, Mo., will be honored by the Granite City Jaycees at a farewell party Saturday evening.

The event will take place in the new Jaycee clubhouse, with "The Invaders" furnishing music for dancing from 9 p.m. to 1 a.m. A buffet supper also is planned, according to the co-chairmen, Peter Novacich and Floyd Peterson.

Day resigned the office of Jaycee president last month after accepting a position in the advertising department of Radio Station Kwik at Moberly. He and his wife, Elizabeth, have been active in many Jaycee projects. Both are life-long residents of Granite City.

HELP STAMP OUT STRANGERS

None are quite so alone as the stranger in town, or the newcomers to the neighborhood. Remember your last move . . . how you felt as the moving van pulled away . . . how you more than half wished you'd never come?

Spare your new neighbors feelings such as these. Let the Welcome Wagon Hostess bring greetings and gifts to make them feel at home. Help stamp out strangers. Call Welcome Wagon today at TR 7-0555

KEYS TO THE CITY presented Monday night during a council meeting by Mayor Partney (left) to Floyd Jeff, retiring assistant police chief, and former aldermen Earl Thompson of the Eighth Ward and G. H. Sternberg of the Seventh Ward.

City Favors Tax Exemption For Jr. Achievement Bldg.

A property tax exemption for the non-profit Junior Achievement, 3307 Wabash avenue, is being supported by Granite City council members, who agreed Tuesday night to seek the cooperation of Township Assessor James Barton.

City Treasurer E. R. Rich told the aldermen it would be a long struggle as he has been trying for several years to get back taxes removed from tax-exempt property now owned by the city, park district and school district.

"Affidavits have been submitted at the county level each year for the past several years, and it's being done again this year," Rich added.

Mayor Partney explained that back taxes are due on the property prior to purchase by Junior Achievement, and that the organization has been paying about \$400 a year taxes on the building.

Council members voted approval for a request by Township Tax Assessor Barton that he be given copies of all new building permits issued by the city for assessment purposes. The city building inspectors are

praised at \$3000, and I'm sure a purchase arrangement can be worked out."

Junior Achievement provides high school age youngsters with an opportunity to operate miniature companies for production and sale of items to gain experience in the business field.

Authorization was given by the 10 aldermen present for most of a \$134,000 balance in the sewage treatment plant construction fund to be invested in interest-bearing government certificates of deposit in \$3000 amounts. Alderman Moerhien, chairman of the Pollution Plant committee, said about \$2000 will be retained in the construction account for incidental expenses, including the proposed purchase of a trailer and hydraulic hoist for handling materials at the grit chamber.

Muffler Charge Filed
A charge of driving with an improper muffler at Nameoki and Johnson roads was filed against Richard Koiske, 2546 Spaulding avenue, at 4:10 p.m. Tuesday.

State Surveying Area In Work-Train Program

Representatives of the state's Board of Vocational Education and Rehabilitation office are in the Quad-Cities to study the possible establishment of a Co-operative Work Training program here for youngsters of high school age.

A meeting was held with the industrial relations committee of the Manufacturers Association of the Tri-Cities yesterday, and further meetings will be held with other groups. Carl Mathias, area manager for Illinois Power Co., is arranging the local meetings.

The representatives here are H. M. Strubinger and George S. Jefferson, who have conferred with John Newlin of Nestle, Jean Christy of Granite City Steel Co., John Walker and Clarence Vogel of Laclede Steel Co., C. E. Blankenship of A. O. Smith Corp. and M. A. Witternigel of the Granite City school district vocational education department.

The state officials explained that students, 16 or older, are employed on a part-time basis so that the combined school and work week does not exceed 40 hours, and teacher-coordinators serve as liaison between school and job.

One of the purposes of the program is to curb school dropouts.

Four Speeding Charges

Four drivers were charged with speeding Tuesday morning as traffic division police operated a radar unit along Madison avenue. They are Theresa Laverne Johnson, 1320 Meridian street; Evelyn F. McElroy, 3040 Sinclair avenue; Gene S. Nail, 2032a Iowa street; and Albert D. Blaylock, 2513 Pine street.

Driver Fined, Jailed

Robert Eugene Barton, 2845 East 24th street, was sentenced to three days in jail and was fined \$100 and costs for driving without a license and \$10 and costs for having no state license plates after he was arrested at 9:50 a.m. Tuesday at 23rd street and Madison avenue. He pleaded guilty.

Unbeaten Trojans Host Cadets for First Time

The Madison high school football team will be fighting to make it two wins in a row Friday at 8 p.m. when they encounter the Western Military Academy Raiders from Alton at the Madison field.

Last weekend the Raiders tied 12-12 with Duplo, and reports from the head coach, Capt. Doug Johnson, indicate that Western missed a victory because of 110 yards in penalties and misjudging which led to dropping of 10 passes.

"The boys have been working on getting a good jump on the opposing lineman. They were over-eager in the opening game and were going a little too soon, causing many offensive penalties. They have been working on it this week and we hope to have the problem corrected when we meet the Trojans Friday."

Western has a small squad but in weight and number of players. The heaviest player weighs only 180 pounds and there are only 47 boys on the varsity squad.

This will be Western's first visit to the Madison field, the two teams have never met before in football.

The Raiders play their league games in the ABC Conference, where last season they finished in last place, winning only two of eight games during the season.

Turnover Problem

Western has never had what could be termed a powerful team because it has such a large turnover in students every year. Total enrollment is 240. The last time that it finished above zero in its league was in 1961, when the Raiders were second.

Against Duplo, Western led 12-6 until the last quarter, where a fumble on its own 20-yard line led to the tying touchdown. Scoring for the Raiders were Rick Hanalt on a 60-yard scamper around left end and John Stone on a 20-yard punt kick. Western collected 218 yards rushing but only 16 yards through the air.

Trojans Defensive Changes

Madison will go with the same offensive unit used last week in a 14-12 victory over O'Fallon. But some changes on defense are planned.

Coach Harlan Schiebel regards the Western game as a full-scale test of Trojan players; he hopes to avoid assigning players to double duty—offense and defense.

He watched the Raiders' Saturday game and was impressed by their aggressiveness and speed.

Spreading the Trojans so far have been the passing of Quarterback Jim Scott, the running of Titus Shipp and the scoring of Tom Weston.

PROUD OF HIS CATCH, Frank Costello, 2002 Washington avenue, displays the results of four hours of pleasure experienced while at a Panama City, Fla., fishing resort. On the right is a 38-pound amberjack, with three groupers beside it weighing 25, 17 and 15 pounds and at the left a red snapper and sea trout.

Sluggest Wins Tourney Title for Polish Hall

Polish Hall won the championship of the second annual tri-city, football tournament Tuesday night by defeating O'Fallon Sports Bowl 16-11.

The game, postponed from Saturday due to rain, closed the season for Polish Hall, whose 15th attack was led by Charles Weiss' triple, homer and five RBIs.

Scoring five runs in the second, four in the third and six in the fourth, the local team built a 15-2 lead that withstood O'Fallon's rally of seven runs in the sixth inning and two in the seventh.

Stan Serwatka won a ten-hitter.

State Radio, another Quad-City team, won the consolation title Tuesday night by edging the East St. Louis Rouge 12-11.

Trailing 5-0 after the first inning and 10-4 entering the last of the sixth, State Radio pushed across three runs and saw the Rouge melt about 11.9 in the top of the seventh and final inning.

Two singles and a walk then produced a run and set the stage for Bob Patrick's deciding two-run trip.

Dave Sparks, John Crikovich and Larry Melton each got three of State Radio's 12 hits.

Illinois Power Plant At Baldwin Progresses

Work on the Illinois Power Co. power plant at Baldwin, Ill., - the company's fifth major generating station - is proceeding on schedule, it was announced yesterday as the first year of construction nears a close.

Land clearing began on the 3000-acre site in Randolph county a year ago. The first generating unit, with a capacity of 565,000 kilowatts, is scheduled to be in service in 1970. The site may accommodate four units with a total generating capacity of 2 million kilowatts.

The substructure will be poured for structural steel work and electrical conduit by early November, the company said.

Several "pours" are being made to provide a base concrete floor 12.5 feet thick.

The new plant will be of the mine-mouth type—close enough to the mines to permit transporting coal by rail shuttle. A special "unit" coal train will run only between the mines and the plant. Coal requirements for the first unit alone are 2 million tons annually. The plant is located on the east side of the Kaskaskia river.

Teachers Employed

Mrs. Beverly Scroggins, 2504 Roney drive, who holds a bachelor degree from SIU, was hired to teach a sixth grade class at Mitchell school.

The resignation of Mrs. Leyth Odum, 2770 Iowa street, at a Logan school cafeteria worker, effective Sept. 15, was accepted.

Resignations effective at the start of the new term and announced last night were those of Mrs. Genevieve Gidgen, 3000 Community Playthings, at Mitchell fifth grade teacher, Miss Mary Friday, McKinley first grade teacher, and Mrs. Janice Maynard, Wilson primary teacher. Leaves of absence for 1967-68 announced were those of Mrs. Elsie Rhodes, Coolidge junior high mathematics teacher, and Mrs. Charlotte Griffith, Lake sixth grade teacher.

Speeding Charge Filed

James A. Stafford, Middleton, Del., was arrested at 9:10 p.m. Wednesday on a charge of speeding at 1800 Madison avenue where police operated a radar unit.

sell to Aro Dresser Foods Corp. eight used milk dispensers for \$75 each. The schools no longer dispense milk from central containers.

Press-Record Staff member Edward Spangenberg (seated) gets a pointer from University of Illinois Professor Glenn Hanson at the Illinois Press Association week-long course in ad writing, layout and selling held on the University of Illinois' Urbana campus.

SOCIETY 25th Wedding Anniversary

Mr. and Mrs. Edward Broyles, 1968 Manley avenue, observed their 25th wedding anniversary this week at a surprise celebration arranged by their children, Edward Broyles Jr., Mrs. Patricia Hoffstot, and Mrs. Rosalie Bronnauer, assisted by their uncles and aunts, Mr. and Mrs. Don Broyles and Mr. and Mrs. Charles Smith at the home of Mr. and Mrs. Don Broyles, 2030 McCasland avenue, Madison.

The party was held on the lawn where arrangements of silver and white bells, candles and flowers decorated the buffet tables.

Among those present were Mr. and Mrs. Fred Finazzo, parents of Mrs. Broyles, Mr. and Mrs. Frank Finazzo and family, Mr. and Mrs. Julian Dobrowski and family, Mr. and Mrs. Carl Torinimo and family, Miss Jeanne Gabriel, Phyllis Finazzo, Pete Ramsey, Mrs. Frances Greco, Mr. and Mrs. Al Bronnauer, Mr. and Mrs. Don Broyles and daughter Donna Sue, Mr. and Mrs. Bill Hoffstot.

Mr. and Mrs. Donald Shone and children, Skip and Sue Smith, Frankl Broyles, Karen Wambaugh, Mrs. Alpha Pearl Bridle, Mr. and Mrs. Cecil Dunlap, Mr. and Mrs. Dick Wheeler, Mr. and Mrs. Nick Lucido, Mrs. Lucy Griffin, Mr. and Mrs. Robert McKinney, Chris Torinimo.

Mr. and Mrs. Wilbert Triebes, Mr. and Mrs. Dick Rice, Mr. and Mrs. Jack Kulkamp, Mr. and Mrs. Ted Kwikowski, Mr. and Mrs. Ervin DeRousse, Mr. and Mrs. Bob Scheibel, Mr. and Mrs. Dwight Wade, Mr. and Mrs. Joe Dobrowski and children, Mr. and Mrs. Howard Dillie, Mr. and Mrs. Frank Kittel and family.

Mr. and Mrs. Donald Boyer and children, Mr. and Mrs. Bill Dorriss and children. Mrs. De-

UPW CIRCLE ONE HOLDS MORNING MEETING

A morning meeting of Circle One of the First Presbyterian Church held a morning meeting Tuesday, the first of the season. Mrs. Fred Haug entertained the 13 members in her home at Delmar avenue. The leader, Mrs. H. E. Lueders, was in charge.

Mrs. Dawson Wade gave the Bible study, and the Year Book of Prayer with the missionaries of the day by Mrs. Walter Pearson, followed the devotional service led by the hostess. The next meeting will be with Mrs. Elmer Daniel in October.

COOLIDGE PTA HOLDS BOARD MEETING

An executive board meeting of Coolidge junior high school PTA was held Monday evening in the school library with Mrs. Vee Throne, president, in charge.

By-laws were drawn up to be presented at the first regular meeting Monday at 8 p.m. at the school, and there was an announcement of the fall conference of District 29 to take place Oct. 26 in East Alton.

By-laws were drawn up to be presented at the first regular meeting Monday at 8 p.m. at the school, and there was an announcement of the fall conference of District 29 to take place Oct. 26 in East Alton.

Pythian Sisters Group Meets

The Past Chief's Association of Pythian Sisters met Monday afternoon with Mrs. Carl Conary, 2521 Edison avenue.

A noon luncheon was served and Mrs. Olivia Lehman conducted a business session during which plans were made for a rummage sale in the near future.

In games prizes were awarded to Mrs. Fern Eggley, Mrs. Linda Schlingman, Mrs. Ella McKittrick, Mrs. Julia Dudley and Mrs. Elizabeth Host. Others present were Mrs. Leola Arbogast, Mrs. Martha Montague, and Mrs. Nell Hutchison.

Mrs. Dudley will be the hostess at the Oct. 9 meeting.

PAST PRESIDENTS PARTY FOR EAGLES AUXILIARY

A group of past presidents of Eagles Auxiliary 1126 were entertained Monday evening at the home of Mrs. Margaret Johnson in Edwardsville, formerly of this city.

Refreshments were served, and at games, prizes went to Mrs. Mary Ogle, Mrs. Margaret Vronick and Mrs. Elizabeth Novacich. Others present were Mrs. Ann Hordesky, Mrs. Hazel Pierson and Mrs. Rinda Brown.

CIRCLE SIX OF UPW ELECTS NEW OFFICERS

The newly-elected officers of Circle Six of First United Presbyterian Church are as follows:

Mrs. Joan Kerch, chairman; Mrs. Pat Evans, secretary; Mrs. Lois Hayes, treasurer; and Mrs. Martha Guenther, World Service.

The election was held in connection with the opening meeting of the season Tuesday morning at the church with Mrs. Judith McNeilly in charge. Mrs. Gloria Ziegler was hostess and Mrs. Roberta Miller, a prospective member, was a guest.

The Least Cost service was conducted by Mrs. Hayes and Mrs. Guenther held the World Service prayer.

TAKES PART ON CONVENTION PROGRAM

Mrs. Bethel J. Davis, president of the Granite City unit of the Woman's Christian Temperance Union, was in charge of the Service of Remembrance Wednesday morning at the 38th annual convention of the Woman's Christian Temperance Union of Illinois being held in East St. Louis.

The meeting convened Tuesday and will continue through today at the Stadium Motor Hotel.

Among those remembered in the memorial service was Mrs. Minnie Richardson of Granite City, a recently deceased member.

VISITS SISTER
Mr. and Mrs. Jesse Brown, 2423 Washington avenue, have returned from Seattle, Wash., where they visited the former brother-in-law and sister, Mr. and Mrs. Harvey Deem. They were away one week, making the trip by plane.

Guest Day of Thorngate Club

Thorngate Garden club was host Tuesday morning to an annual guest day breakfast in the home of Mrs. Evelyn Leu in Sunnydell Acres.

The patio was decorated in blue and white, as were the dining tables, which held white bowls of berries. Hanging baskets of vines and fresh flowers completed the decorations. Favors for each guest were small snifters with real flowers rooted in water.

Guest speaker was Wayne D. Siefert, regional state floral and gardening advisor, who chose "Grasses" as his topic. He told of different species of grasses most desirable for lawns and discussed the pests most prevalent in this area.

Guests were Mrs. Allen Waggoner, Mrs. Dennis Revelle, Mrs. Pearl Young and Mrs. Anna Lee Beger and, from the Cloverview Garden club, Fred Orr and Mrs. Kenneth Brokaw; from Terrace Garden club, Mrs. Victor Reznick and Mrs. John Kirchhoff; Gardenaires, Mrs. C. E. East and Mrs. Earl Glenn, and Garden Study club, Mrs. Harold Carson and Mrs. Valerie Theis.

Members of the host club present were Mesdames Lillian Delpe, Eda Hanfelder, Wanda Kincaid, Elizabeth LaVelle, Mary Markham, Beulah Miller and Clara Schilling and Miss June Markham.

Next meeting of Thorngate club members will be a fall tour to Hardin, Ill., Oct. 19.

Miss Maureen Mathenia, Harry Neuling are Wed

The wedding of Miss Maureen Mathenia, a daughter of Mr. and Mrs. Louis Mathenia, 2305 Terminal avenue, and Harry Neuling, whose parents are Mr. and Mrs. Emmett Neuling, Rural Route Two, took place Tuesday evening at Nameoki Presbyterian Church.

The Rev. Gail Cross officiated at the 7 o'clock ceremony, and a reception was held afterward for the families and a few friends at the Mathenia home. Given in marriage by her father, the bride wore a white street-length brocade Empire coat dress. A pill box with seed pearls held in place a French illusion veil, and the bride carried a nosegay of white carnations.

The only attendants were Miss Sharon Neuling, a sister of the bridegroom, and Larry Mangiaracino. Miss Neuling was attired in a pink crepe sheath dress with blating chiffon panels. Her flowers were pink carnations.

After a honeymoon in Chicago, the bridegroom, who has completed one year's military service in Vietnam, will leave for his present post at Fort Belvoir, Va.

Out-of-town guests at the wedding were Mr. and Mrs. Charles McKee of Minneapolis, Minn., a brother-in-law and sister of the bridegroom, Mr. and Mrs. Lewis Bell and daughter of Little Rock, Ark., and Roger and Mary Hermes of Chicago.

SIGMA RHO TRI-HI-Y HOLDS FIRST MEETING

Members of Sigma Rho Tri-Hi-Y met at the YMCA Tuesday evening for their first meeting of the new year. Mrs. Lala Hanks served as advisor for the evening.

Debbie Berger, president, appointed committees for the year. A discussion was held on the initial fund project, and Charles Hasse of the "Y" spoke to the club on a new YMCA membership plan.

Mrs. Mary Herman, junior-director, presented each member with articles for a current poster project and they were completed during the meeting.

Refreshments were served by Mrs. Hanks in observance of the birthday of her daughter, Nancy.

Attending were Gail Cunningham, Jan Kersch, Kathy Eaton, Laura Massie, Gail Thompson, Debbie Byers, Mary Chapman, Anita Hoesbeck, Laura Jones, Nancy Hanks, Stan Caldwell, Vickie Metcalf, Carol Robertson, Martha Edmonds, Karen Lurton, Connie Davis, Mary Ruth Cox, Linda Lybarger, Mary Ann Milnarec and Kris Hayes. The club will meet each Monday.

ANCHORAGE SENIOR CITIZENS LUNCHEON

The Anchorage Senior Citizens Club held the first pot luck luncheon of the new Wednesday in the recreation hall with 68 members attending.

After the luncheon there were games with prizes awarded to the winners. Plans also were made by the Birthday Club for a meeting next Wednesday at 2 p.m. when birthday members are to be honored.

District Offices For Local DUV

Four members of Sarah Jane McEvers Tent 90, Daughters of Union Veterans of the Civil War, have been elected officers of District 38, DUV. Mrs. Gusio Cheatham was named president. Mrs. Augusta Munsterman is chaplain. Mrs. Pearl Ward is the new secretary and Mrs. Elizabeth Morrison will hold the office of guard. They were named at a meeting in Jerseyville.

A report of the convention was given by Mrs. Cheatham at a meeting of the Tent Tuesday evening in the home of Mrs. Sallie Robinson, an honorary member, on Nameoki road.

Mrs. Munsterman, president, was in charge, and there were games and refreshments.

POLISH SOCIALITE CLUB PLANS REUNION

A committee meeting of the former Polish Socialite Girls club was held Tuesday at the Polish Hall in Madison with Mrs. Helen Krakowicki in charge. Final plans were made for a reunion dinner and dance Sunday, Nov. 5, at the Polish Hall.

About 75 former members have been contacted and are being urged to send in reservations to Mrs. Ann Slescia Herman, 1120 Iowa street, Madison, before Oct. 15.

The reunion coincides with the 50th anniversary year of the St. Stanislaus Lodge, PRCU No. 1004, sponsors of the girls' club. Other committee members are Edw. E. Wark, Frances Ratkiewicz, Lucille Kravicki and Hattie Mulin.

MRS. HARRY NEULING, the former Maureen Mathenia, a daughter of Mr. and Mrs. Louis Mathenia, 2305 Terminal avenue, who was married Tuesday evening at Nameoki Methodist Church.

Flea Market, CD Topics of Club

Preceding a monthly meeting of the Granite City Junior Service club Monday evening, Harold Mayfield of the civil defense unit spoke to the club members at the Granite City civil defense building. His topic was the CD radio system.

Mrs. Jo Anne Gaumer, president, presided at a business meeting and monthly reports were given by Mrs. Audrey Jones, Mrs. Faye Krause and Mrs. Margaret Hornberger.

Mrs. Candy Kawula, charity chairman, announced that two school children were fitted for eyeglasses and the glasses were purchased by the club.

Main topic was the club's annual "flea market" at 8 a.m. Oct. 7 at Bellemore shopping center. Mrs. Carol Trittich is chairman and committee members are Mrs. Eva Burns, Mrs. Kay Reel and Miss Marge Greenendorn.

An annual dinner dance "date night" is to be held Nov. 4 at Augustines'. Mrs. Jean A. n Vrenick, chairman, will serve with Mrs. Evelyn Todd, Mrs. Gladys Waggoner and Mrs. Faye Krause.

Mrs. Mary Schaffner was named as chairman of the Christmas project to make stockings for newborn infants at St. Elizabeth Hospital. Assisting her will be Miss Flora Mae Lensing, Mrs. Wilma Edgington and Mrs. Phyllis Stieb.

Tentative plans for the spring fashion show were discussed. Mrs. Rena James will head the project. Mrs. Louise Kovar, chairman of a committee to sell Christmas candles at a fund project, reported on progress by her committee.

Mrs. Gaumer spoke on the Junior Service Club Federation luncheon held Sept. 16 at the Round Table. Fifteen Granite City members attended. The annual common project of the federation will be a dinner dance April 20.

A "white elephant" sale was conducted under the direction of Mrs. Vrenick and Mrs. James.

The club board will meet in the home of Mrs. Aubrey Jones, 2101 Clark avenue, Oct. 9 and the club's next meeting will be Oct. 16.

Refreshments were served by Mrs. Kravula and Miss Juanita Bell to those named and Mesdames Burns, Marilyn Diane, Edgington, Loretta Kravicki, Reel, Francesa Rowden, Schaffner, Stieb, Todd.

Child Behavior Marshall Topic

"Parent-Child Relationships" was the topic presented by Dr. Cameron Meredith of SIU Tuesday evening for members of the Marshall school PTA at their first meeting of the new school year. He stressed that each child's behavior has a first meeting of the new school year. He stressed that each child's behavior has a purpose.

Mrs. Louis Ferrer, president, opened the meeting with the flag pledge, and Mrs. Roberta Werner gave the PTA prayer. Reports were submitted by Mrs. Charis Vunovic, secretary, and Mrs. Roberta Werner treasurer.

Mrs. Ferrer announced that a rummage sale held during the past weekend was a success.

Miss Mary Hopkins, principal, introduced faculty members. The membership chairman, Mrs. Jackie Dillard, reported 41 new members and Mrs. Eula Davis took protection chairman, requested more mothers' assistance in completing the program.

A banner was awarded to Mrs. Danny Kaegel's afternoon kindergarten room for the largest number of parents present.

The president reminded the members of the first Area PTA Council meeting, this evening at Frohnardt school.

Refreshments were served by lift and sixth grade room mothers. The PTA board will meet Oct. 11 and the next regular PTA meeting will be conducted Oct. 17.

MARQUIS-DAWSON WEDDING ANNOUNCED

Mr. and Mrs. Henry Dawson, 50 East 8 Street, are announcing the marriage of their daughter, Miss Beverly S. Dawson, to Donald E. Marquis, a son of Mr. and Mrs. William Marquis, 1330 Oriole street, Venice.

The ceremony took place Sept. 15 at 4 p.m. at Hope United Church of Christ, Belleville, with the Rev. Robert Hiedeman officiating. A reception followed at the home of the bride. The couple will live in Belleville.

Attendants were Miss Barbara Lehman and David Bradson, a cousin of the bridegroom.

Mrs. Day is Guest of Honor

Mrs. Michael Day, who is leaving over the weekend with her family to reside in Noberty, Mo., was guest of honor Tuesday evening at a party given by friends at the Rose Bowl.

A smorgasbord dinner was enjoyed and Mrs. Day received a gift. Those attending were Mrs. Linda Saltich, Mrs. Lorelei Kravicki, Mrs. Margaret Williamson, Mrs. Joan Roberts, Mrs. Carol Trittich, Mrs. Mary Ann SanSoucie, Mrs. Sharon Shevick and the honoree.

SHIP SHAPE CHAPTER ACCEPTS NEW MEMBER

Mrs. Yvonne Passig presided over a weekly meeting of the Ship Shape Tops chapter Tuesday evening at Schermer's civic center in Madison. Roll call was taken and Mrs. Elsie Joiner earned "queen of the week" honors. No penalties were given.

Reports were heard and it was decided that the club's Christmas party will be held Dec. 9 at the Jaycee hall.

A new member, Mrs. Sharon Clark, was accepted. Prizes were awarded to Mrs. Billie Schuler and Mrs. Marian Kelly.

The meeting adjourned with

Binney Plaque Dedication Set

A memorial plaque dedicating the 1958 wing of St. Elizabeth's Hospital to Dr. R. W. Binney will be unveiled Saturday morning in the hospital lobby at a general meeting of the Medical Staff.

Dr. W. W. Bowers, a long time associate of Dr. Binney will comment on Dr. Binney's contributions to the community. The plaque has a pictorial contribution to the community. representation of Dr. Binney in raised bronze with the inscription as follows:

"Dedicated to this physician and surgeon for his uniring and devoted service to the community from 1897 to 1952."

Firemen Answer Four Minor Fire Alarms

Granite City firemen responded to four minor alarms this week, reporting damage totaling \$460.

A gasoline line which came off the carburetor caused \$350 damage to the 1961 auto of Emil Kudelka, 1633 Primrose avenue, at 3:30 p.m. Monday. A short circuit in an electric switch box caused \$200 damage at the home of James Welch, 2301 East 20th street, at 5:40 p.m. Tuesday.

A short in the air conditioner caused \$100 damage at the home of William Crouch, 2325 Lincoln avenue, at 7:40 p.m. Tuesday. There was no loss at 2803 Palmer avenue where trash was being burned at 7:55 p.m. Tuesday.

GC Jaycees Postpone Bicycle "ROAD-E-O"

The Granite City Jaycees' "Bike-Road-E-O," a safety-run program for local youngsters, has been temporarily postponed due to lack of sponsors. Jaycees officers report this week. The event was scheduled to take place Saturday.

Wayne Siegrist, Jaycees co-chairman, said yesterday the "Road-E-O" is to be rescheduled within the next few weeks.

Granite City PRESS-RECORD

Tax Distribution Bolsters Venice Finance Picture

The city of Venice ended the month of August with a treasury balance of \$298,963 following receipt of \$297,924 in city taxes and \$220 in road and bridge revenue. City Treasurer Bernard Anderson informed the city council in meeting Tuesday night.

The tax income was a partial settlement of Venice township taxes collected by Town Collector Frank Reidelberger Jr. in July. Other income during August included collection of \$1250 in fines, \$340 in truck license, \$348 in wheel tax, \$5 in building permit fees and \$871 in sales tax.

With a \$16,022 balance on hand at the beginning of August, this increased to \$306,815 total income for the month, Anderson reported. Disbursements during the month amounted to \$31,852, leaving the city its \$298,963 balance as of Sept. 1.

Sales Tax Approval

The city council meeting Tuesday night was postponed from the regular meeting date last Friday.

The council received notification from the Illinois State Department of Revenue that ordinances raising Venice sales tax collections from one-half to 1 1/2 to three-quarters of 1% had been approved by the state. Increased collections for Venice were made effective as of Sept. 1, the notice said.

Police John Essington reported to the council that a total of 68 arrests were made during August, resulting in receipt of \$555 in fines from the office of the circuit clerk. Chief Essington's report showed 45 persons were arrested on traffic charges and complaints under city ordinances which were sent to court.

Four Juveniles on List

Other dispositions included four juveniles turned over to juvenile authorities, two released to immigration officials, one released without charges, one released to the sheriff's office, one released to the corner's office, one sent to the Vandallia state farm, and one arrested pending the outcome of inquiries in a traffic accident.

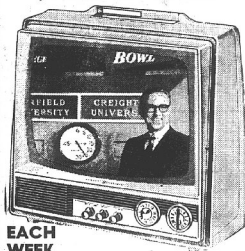

Aldermen also authorized the Venice Fire department to send three men to an Illinois Firefighters convention at Pere Marquette Park Oct. 2, 3 and 4, and allowed \$150 expenses each.

Members of the council commended Patrolman Joseph Mesiano of the police department, recently appointed humane officer for his work in working controlling stray dogs in Venice. Chief Essington reported that during the one-month period following Mesiano's appointment, 119 dogs were picked up.

The Venice council will hold its next regular meeting Friday, Oct. 6.

"DID WE MAKE A BOO-BOO?"

We didn't think so but many of our customers did... so we must be wrong, thus we must apologize for giving away too many divided vegetable bowls on our Old Fashioned Stoneware promotion. We wanted our ads on these items... "This offer good while supply lasts—We reserve the right to discontinue anytime." The reason for the wording was that we knew we had bought the entire supply of stoneware from the manufacturer and there wouldn't be any more.

We are sorry we ran out of the items before all our customers could obtain what they wanted and if it was humanly possible we would obtain more of this merchandise. If we could light up the kilns ourselves we would do it, for no effort is too great for our customers, but we can't, so please accept our humble apologies and we hope you will enjoy our next give-away even more than the Stoneware. Although we hate to bring up this touchy subject these new give-away items are also on a basis of "while supply lasts" and it is doubtful when we run out whether we will be able to obtain more.

SOCIETY

B&PW Selects Mrs. Pieper As 'Member of Month'

Mrs. Ann Pieper was named "member of the month" at a dinner meeting of the Granite City Business and Professional Women's Club held at the Rose Bowl last night.

Mrs. Lily Chaboudie extended congratulations to Mrs. Pieper as she was crowned and presented with a golden NIKE statuette. A NIKE will be presented each month throughout the year to a member exemplifying the high standards of business and professional women in leadership, civic participation, community action and success in business. In June 1968, one of the nine members will be selected for the "Woman of Achievement" award of 1967-68.

Lately Photo
MRS. ANN PIEPER

The widow of the late Henry J. Pieper.

Mrs. Georgia Unthank of Godfrey was guest speaker. She was introduced by the dinner chairman. Her talk was on "Self Evaluation."

Mrs. Ruby Jackson, membership chairman, conducted a "blast off" ceremony with the BPW rocketship.

New members accepted were Jessie Boger, Betty L. Smith, Neva Werthe, Arline Brinkmeyer, Norma Cooper, Ola Ve No, Lois Buzan, Sylvia Wright, Gertrude Ashford, Dorothy Lensing and Grace Bourbon.

Mrs. Maxine Grisman, chairman, announced plans completed by the public relations committee for the next dinner meeting Oct. 18 at the Rose Bowl.

Mrs. Mary Bilibrey, general CWF president, outlined work projects for the year. The items had been reviewed at a state presidents' meeting Tuesday evening in the home of Mrs. Margaret Schoenhardt, 3264 W. 43rd avenue, where a guest was Mrs. Edith Baker Young of Indianapolis, executive secretary and advisor to Illinois CWF presidents.

Members were reminded of the CWF's annual convention Oct. 15 at Kiel Auditorium, when Mrs. May Yoho Ward, a widely-known overseas missionary will address the conference.

A dessert course was served by the hostesses to those named and to Mrs. Florence Tempo, Mrs. Pat Whalen, Mrs. Clara Ash, Mrs. Ruth Dick and Mrs. Wanda Groothuis.

The next meeting of Group One will be Oct. 18 in the home of Mrs. Hayden, 2240 Lynch avenue.

CWF Group Plans Events

Information concerning work projects for the Christian Women's Fellowship 1967-68 season and details of the annual CWF convention Oct. 15 in St. Louis highlighted the first meeting of Group One of Central Christian Church.

Members met last evening in the home of Mrs. Elmer Gruen, 2252 Woodlawn avenue. Mrs. Helen Gage, group president, conducted the business session, with plans made for a college student and shut-in program.

Mrs. Bruce Hayden presented the lesson study on "Is One Religion as Good as Another?" She also led the worship service.

Mrs. Mary Bilibrey, general CWF president, outlined work projects for the year. The items had been reviewed at a state presidents' meeting Tuesday evening in the home of Mrs. Margaret Schoenhardt, 3264 W. 43rd avenue, where a guest was Mrs. Edith Baker Young of Indianapolis, executive secretary and advisor to Illinois CWF presidents.

Members were reminded of the CWF's annual convention Oct. 15 at Kiel Auditorium, when Mrs. May Yoho Ward, a widely-known overseas missionary will address the conference.

The next meeting of Group One will be Oct. 18 in the home of Mrs. Hayden, 2240 Lynch avenue.

Rush Party of Sorority Unit

Eta chapter of the Phi Tau Omega sorority held a "rush party" Wednesday evening with dinner at the Flaming Pit Village Square Center, St. Louis county, followed by bowling at the Lucky Strike lanes.

Prizes were won by Miss Mary Hassler, Mrs. Gladys Waggoner, Mrs. Valueda Bauder and Mrs. Peggy Barr.

Hostesses were Mrs. Barbara Barr, Mrs. Mary Lou Richeson, Mrs. Evelyn Todd, Mrs. Lois Hodge and Mrs. Harriet Horn.

Prospective members are Miss Betty Krug, Mrs. Barbara Ingram, Mrs. Gretchen Luehmann, Mrs. Gladys Waggoner, Mrs. Joyce Todd and Mrs. Peggy Barr.

Others attending were Miss Kathryn Weddell, Mrs. Catherine Powers, Miss Hilda Schroeder, Mrs. Eugene Hatcher, Mrs. Charlene Voss, Mrs. Judy Adams, Mrs. Mary Lou Stark, Mrs. Lois Winter, Mrs. Georgina Waggoner and Miss Dolores Sheridan.

DEWEY AVE. METHODIST WCVS HOLDS MEETING

The Women's Society of Christian Service of the Dewey Avenue Methodist Church held a monthly meeting and a program Tuesday evening at the home of Mrs. Wilma Aubrey as hostess. Twelve were present.

Mrs. Minnie King, president, was in charge and devotions were led by Mrs. Aubrey and Mrs. Edith Rhodes.

After the meeting the members served refreshments to the board of the Protestant Welfare Association meeting at the church.

Nameoki PTA Begins Year

Charles Mase, president of the Nameoki PTA, conducted the first meeting of the year Tuesday evening. The PTA prayer was given by Vice-President Deaton Groothuis and the flag pledge was led by Cub Scouts Two, Three and Six of Pack 46.

Donald Kopp, principal, introduced faculty members and the new PTA officers, including Mrs. Marian Spigle, secretary, Mrs. Marie Fiese, corresponding secretary, and Mrs. Kate Wilson, treasurer.

He displayed a picture of the sixth grade students of last spring on their tour of Springfield, Ill. It will be displayed in a hall of the school.

Kopp announced that educational station KETC, Channel Nine, will start a "Prepare Your Child For Reading" series Nov. 22 at 7 p.m. He noted that Dr. Joseph Hollwell of New York State University will speak Oct. 5 at 7:30 p.m. at Granite City high school on "Philosophy of the Non-Graded School." It will be a public meeting open to all residents.

A discussion was held on traffic crossing problems of students. Kopp stressed the need for parents to instruct their children, especially kindergarten and primary grade pupils, to cross only where crosswalks are marked or where there are guards.

Other announcements included a need for volunteer workers in the school cafeteria and a fund for new stage curtains. The year's budget was approved.

Mase appointed a committee to purchase TV sets for use in school classrooms. Serving will be Eugene Monahan, Kopp and Archie Lupardus.

Band parents will meet tonight at 7:30 in the school cafeteria.

Mrs. Lucretia Wright, Girl Scout representative, reported there are three active Junior Girl Scout troops and one Brownie troop. She has 46 girls registered for Brownie troops and is in need of mothers to become leaders.

Edwin Menke Jr., Univah Boy Scout district executive, and Ed Stone, district commissioner, presented a new charter to the PTA president for Cub Pack 46 and Boy Scout Troop 46. Mase presented the charters to John Slay, cubmaster, and Martin D. Love, scoutmaster.

Slay introduced and presented cards to nine of his committee members, Chris Hamiltons, Charles Mase, Bill Knapp, Tom Fry, Charles Libby, Louis Bunch, Robert Moske, George Reid and Michael Papp. Den mothers introduced were Mesdames Kate Wilson, Joan Mase, Arlene Huldemann, Helen Slay and Kathleen Beljanski.

New PTA committee chairman introduced were Girl Scouts, Mrs. Wright; ways and means, Mrs. Betty Rowlett and

Frohardt PTA Plans Tea

The Frohardt school PTA met Tuesday evening at the school with Mrs. Joann Kalert in charge.

The meeting opened with the flag pledge and the PTA prayer by Mrs. Ruth Ann Barrels, and Mrs. Zang's sixth grade room was awarded the attendance banner.

Mrs. Maxine Ellington, hospitality chairman, announced that the group would be hostess to the Area PTA Council this evening, and that a tea for new mothers would be an event of Oct. 2 from 1:30 until 3 p.m.

Mrs. Sara Metcalf, room mother chairman, reported that more volunteers are needed, and Mrs. Mary Jesse reported on the revision of by-laws for 1967-68.

Lee Reid, principal, introduced the teachers and discussed the progress of the educational system.

Refreshments were served by the sixth grade mothers.

Parkview PTA Hears Humphrey

Owen Humphrey, curriculum coordinator of the Granite City school district, was guest speaker at Tuesday evening at the first 1967-68 meeting of Parkview school PTA.

He spoke on the continuous progress program now in effect and its benefits. He said that for many years there has been little change in education but that the rate of innovation and improvement has begun to accelerate rapidly.

Within ten years, most Illinois pupils will spend part of their day at a computerized console providing individualized instruction, he predicted. In this way, teachers will be able to more completely meet each child's specific educational needs, he said. This type of equipment is now in use in several states and other research is being conducted in Carbondale and St. Louis by the CEMREL educational research group, of which local districts are members.

Humphrey extended an invitation to all parents to a meeting Oct. 5 at Granite City high school, where Joseph Hollwell will speak on the "Philosophy of the Non-Graded School."

Mrs. Agnes Froynta, principal, spoke briefly on language and mathematics instruction in an achievement basis and said Spanish is being introduced to students in the second grade experimentally. She reported that the school has two initial Training Alphabet classes this year, and called attention to a major expansion of the school's library materials.

Francis Herman, president, conducted a business meeting and introduced the new officers, Robert Kirgan, vice-president, Mrs. Ruben Mendoza, secretary, and Mrs. John Farrell, treasurer, and committee chairman, legislation, Phillip Ties, safety and health, Willam Winter, hospitality, Mrs. Helen Lindgren; scholarship, Mrs. Charlotte Gauen; membership, Mrs. Jo Ann Spang; savings stamps, Mrs. Sandra Cook; Mrs. Mary Jane Hastings and Mrs. Metella Mason. All were elected pledge pins.

Mrs. Barbara Johnston presided over the business meeting and at the close there were games, refreshments, and were served to 100 members.

Refreshments were served by the PTA executive board to approximately 100 parents.

The board will meet Oct. 10 and the PTA Oct. 17.

Circle 25 To Parade

The Car's Meow, Circle 25, Military Order of Lady Bugs, and the home of Grandmother Gold Bug Doris Loyd, Edwardsville, last evening, and Lady Gold Bug Catherine Ross presided at the hunt.

Plans are being made to participate in a parade Sept. 30 in Belleville designated as "Armed Forces and Veterans Appreciation Day." Guest speakers who have been invited to attend are President Johnson, Vice-President Humphrey, Sen. Dirksen and Gen. Westmoreland.

Reports were given of hospital visits to Madison County Sanatorium and John Cochran Hospital with Ciderella Circle 33 of Belleville.

SENIOR GIRL SCOUTS CHOOSE OFFICERS

Senior Girl Scout Troop 1066 met Tuesday evening at the home of its leader, Mrs. Ruth Hehle, 2509 Adams street. Election of officers was held and Becky Bailey was elected as patrol leader, Vicki Bason assistant patrol leader and troop scribe. Paula Walton treasurer, Debbie Huckleberry, librarian and Debbie Burnett, scrapbook chairman.

Paula Walton was selected as the troop's Senior Planning Board representative and Sue Brammell will be the alternate.

Future plans of the troop were discussed by Becky Bailey, Vicki Bason, Sue Brammell, Debbie Burnett, Linda Hancock, Reba Hancock, Debbie Huckleberry and Paula Walton. Girls of Senior Scout troop who would like to join the troop may contact Mrs. Hehle.

4 Members Initiated

Nu Teda Chapter of Beta Sigma Phi met last night in the home of Nancy Edgars, 2117 Cleveland Blvd., and initiated four new members in a formal candlelight ceremony. They were Miss Judy Barnay, Mrs. Sandra Cook, Mrs. Mary Jane Hastings and Mrs. Metella Mason. All were elected pledge pins.

Mrs. Barbara Johnston presided over the business meeting and at the close there were games, refreshments, and were served to 100 members.

WELCOME WAGON CLUB PLANS FIRST MEETING

The Welcome Wagon club will resume its meetings at Hope Lutheran Church at 7:30 p.m. Monday.

"Cosmetics" will be the program, and all members and new residents are being invited to attend. For more information or for transportation, they may contact Mrs. Harriet Lovins, president, at TR 7-6936.

Madison 4-H Club Elects

The Madison Masons 4-H Club met Tuesday evening in the home of the leader, Mrs. Otis Hulenbeck, 1611 Fourth Street, and elected new officers. Julie Miller was named president. Serving with her will be Kathy Money, vice-president;

Donna Witta, secretary; Joan Hulenbeck, 1611 Fourth Street, and elected new officers. The next meeting will be in October.

BRIDAL SHOWER HONORS

CHRISTINE DAUGHERTY
A bridal shower was held Sunday at the YMCA honoring Miss Christine Daugherty, given by Mrs. Vicki Duhay, Mrs. Mamie DeHart, Mrs. Helen Patterson.

Those who assisted were Virginia Marlette, John Spahr, Barbara Michon, Judy Webb, Judy Duhay, Doris Worthman, Ann Barowski, Louise Marlette, William Duhay Jr., Everett DeHart, Bill Stroyer, Frank Green and Mike Michon. The gift table was decorated with a four-foot wishing well, with a bride and groom in the center.

The other tables were decorated with large baskets of flowers and fans centered with brides.

A buffet dinner was served. The guests wore blue carnation corsages, and the bride-to-be wore a corsage of white carnations.

Those who will be her bridesmaids assisted in opening the many gifts.

The wedding will take place on Nov. 4. The prospective groom is David Duhay. Those present were Florence Spahr, Delores Cunningham, Alice Woods, Marilyn Gonterman, Lois Wyle, Mary Lee Rozyczki, Nellie Zarecki, Lorraine Gonterman, Julia Rozyczki, Doris Wilson, Lorene Sadrakala, Rose Marie Jones, da Marlette.

LaVerne Hammond, Betty Slecko, Virginia Elton, Lorraine and Nancy Riggs, Edna Stapleton, Eileen Brown, Linda Harper, another Linda Harper, Lottie Harper, Susan Blummeister, Kathy Christina, Sandra Wofford, Mabel Kuhn, Maxine Gerlach.

Lucille Moss, Jean Schwarzkopf, Theresa Buer, Ruth Buer, Imogene Buer, Marie Dew, Frances Fink, Nannette Markuly, Mary Ann Brown, Joanne Williams, Dorothy Buser, Mary Slaby, Phyllis Smith, Stella Camper, Nikki Lynn Smith, Helen Gaddy, Catherine Suchich.

Elizabeth Suchich, Gerry Eads, Ann Barry, Katie Obucina, Mollie Schenoff, Anne Slecko, Maxine Butler, Rose Schmitt, Valerie Boelling, Evelyn Line, Rosemary Pabst, Rosina Mangiaracino.

Margaret DeRuntz, Catherine Michel, Louise Sedlack, Pat Darnier, Betty Daugherty, Jo Ann Barowski, Angela Marlette, Pam Michon, Becky Marlette and William Joseph Duhay III.

Oral Bone, son of Mr. and Mrs. Bill Bone, underwent surgery Monday at St. Elizabeth Hospital.

Mrs. Eurrell Rushing of 13th street is undergoing treatment at St. Elizabeth Hospital.

RETURNS TO ARMY BASE
Pfc. Bennie Cooper, who is stationed at Fort Gordon, Ga., left Sunday after spending a 10-day leave here with his wife, Rose, and infant daughter, Cynthia Lynn, born while he was home.

He also visited his parents, Mr. and Mrs. Oscar Cooper and family, 680 Mueller street.

Airman second-class and Mrs. Jerry Cooper are here on a 10-day leave from Wichita, Kan., where he is stationed. They are visiting the parents of both, Mr. and Mrs. Roy Cross of Madison and Mr. and Mrs. Oscar Cooper of Mueller street.

BIRTHDAY CLUB MEETS
Mrs. Carol Cuccatti, 3212 Blue Bird lane, celebrated her birthday club Monday night.

Games were played and several prizes were awarded.

Refreshments were served to Mesdames Leona Pyles, Leola Tucker, Veda McClelland, Linda Bone, Glennia Stages, Ruby Pyles and Barbara Elledge.

The group presented Mrs. Cuccatti with a birthday gift.

FAITH CHAPEL TO OBSERVE 12TH YEAR
The Faith Chapel General Baptist Church on Ashland and Springfield avenues will observe its twelfth anniversary on Sunday with an all-day service.

Rev. Chester Ham, a former pastor, will be the guest speaker. A pot luck dinner will be served at noon.

William Boercker of Chouteau avenue is a patient at St. Elizabeth Hospital "due to a heart condition."

Mr. and Mrs. Jerry Weeks returned home from Springfield, Mo., Sunday after spending the weekend visiting Mr. and Mrs. Arthur Glys.

A United Fund Agency

Protestant Welfare Aids 159 Persons Last Month

The Protestant Welfare Association, Inc., met Tuesday evening at Dewey Avenue Methodist Church, with Rev. John DiGiacomo leading the devotional service and Roy Lynn, president, conducting the meeting.

During August a total of \$833 was expended for 38 cases and 159 persons, 14 new cases, 10 recurrent, and 14 incidental cases.

The distribution was as follows: food, \$272; rent, \$5.00; medical, \$24; and new shoes and clothing, \$433. Fourteen orders of clothing taken from the store room were estimated at \$112, as well as other items with a total value of \$176.

The meeting adjourned with prayer by Rev. Gail Cross.

day after funeral services at the Leatherwood Creek Methodist Church, Tennessee Ridge.

Those attending the funeral from the Granite City were Mrs. Helen Cronister and children, Mr. and Mrs. Dwayne Hoxsey and children and Mrs. Shiver, who returned here Monday.

CUB INDIAN THEME
Cub Scout Pack 20 held its first meeting of the school year Tuesday evening at Webster school. The meeting opened with a Indian ceremony by Den Four, led by Mrs. Betty Woodruff and Mrs. Wanda Ponder.

Acting as Indian braves in the ceremony were Paul Woodruff, Patrick Ponder, Brad Edwards, Jeff Herring, David Head, Dean DeForrest and Kenneth Brooks. Julia Ponder was a young Indian girl and Jimmy Ponder a young brave.

Woodruff served as medic man.

Den Four presented custard-ice Ben Ponder with an Indian headband and beads and he was made honorary chief of Pack 20.

In an awards ceremony, Michael Willmore received a two-year pin and a one-year perfect attendance pin. Tim Slavings received gold and silver arrows and a lion badge, Ricky Marlen a two-year pin, Terry Pirtle a year pin, David Chrusciel a two-year pin, Michael Quigley a bear book, Jeff Herring, Patrick Ponder, David Head and Paul Woodruff, each a year pin and bear book, Brad Edwards and Dean DeForrest year pins, Kenneth Brooks, three-year pin, Mike Watkins, three-year pin and cub scout graduation certificate, Tommy Harrington, three-year pin, arrow of light and cub graduation certificate, Tony Gray, two-year pin, Mrs. Betty Woodruff, year pin, Mike Watkins, three-year pin and cub scout graduation certificate, Tommy Harrington, three-year pin, arrow of light and cub graduation certificate, Curt Edwards, cub certificate, and Russell Pulley, two-year pin.

Plans for the pack fish fry at Webster school, Oct. 27 were discussed and it was announced that the October pack meeting will be a Halloween costume party for cubs and parents.

Mothers of Den Four will serve the party refreshments.

The meeting closed with an Indian war dance by Den Four and refreshments served by mothers of Den Three, which Mrs. Mileva Vidan is den mother.

CIVIC GROUP PLANS
DINNER AND MEETING
The Arlington Heights Civic Association will hold its monthly meeting at 7:30 p.m. Monday at the home of Mr. and Mrs. Joseph Schall, 66 Karen drive.

Topics will be street lighting and the possibility of lighted entrances to the subdivision.

The association will sponsor a potluck dinner Sunday afternoon, held on the vacant lots at the end of Shirwin drive. The purpose is to allow all residents of the area to become acquainted.

Each family has been asked to bring a covered dish, meat, something to drink and lawn chairs. Dinner will be served at 2 p.m.

Mrs. Betty Bishop, 88 Shirwin drive, who underwent surgery Thursday, is improving. She is expected to arrive home by the weekend.

evening wit hthe leaders, Mrs. Pat Eaton and Mrs. Pat Emring.

The "Space Cadet" patrol opened the meeting by singing "Happy Birthday" to Diane Enring and JoAnn Head. The girls discussed an open house to be held Oct. 14 and 15 at the new Girl Scout camp near Farmington, Mo.

The troop members worked on clown bean bags they are making for St. Elizabeth Hospital for Christmas. They also discussed Girl Scout calendar sales and a father-daughter camp-out and barbecue. The meeting closed with a "disappearing tunnel."

Attending were Ruth Bird, Kitty Chapline, Pam Clay, Diane Enring, Kathy Harrington, Debbie McKinney, Becky Graham, Barbara Frazier, JoAnn Head, Gail Spray, Karen Lee, Donna Sanders, Gwen Cane, Donna Kahn and Frances Wely.

The next meeting will be October 2.

Public Notices

MADISON COUNTY ZONING ORDINANCE BOARD OF APPEALS NOTICE OF PUBLIC HEARING

Notice is hereby given that the above named Board of Appeals, established under the Madison County Zoning Ordinance, will hold a Public Hearing on the 10th day of October, 1967, at the time and place as noted below for the purpose of hearing testimony for and/or against the following proposed change in the above named ordinance.

At 11:06 A.M. on the petition of Vincent and Palma Biciocchi and Fred and Elaine Vogel, Owners of Record, requesting to rezone a tract of land from Agricultural District to B-3 Highway Business District with a Special Use Permit for a mobile home court in Chouteau Township. The Southeast Quarter of Section 14, Township 4 North, Range 9 West and the North 1/2 of the Northeast Quarter of Section 23 Township 4 North, Range 9 West of the Third Principal Meridian, (except that portion of premises in question conveyed by Benjamin Horton, his wife, to John C. Davie by deed recorded September 12, 1963 in Book 298 Page 263 described as follows: FROM the Northwest corner of the Northeast Quarter of Section 23 Township 4 North, Range 9 West of the Third Principal Meridian measure 486 feet southerly along the west boundary line of said quarter section to a point

"A"; from the northeast corner of the southeast quarter of section 14 Township 4 North, Range 9 West of the Third Principal Meridian measure 510 feet westerly along the north boundary line of said quarter section to a point "B". The property covered by this conveyance consists of a strip of land 100 feet wide being 50 feet on each side of the location above described and extending northeasterly from the west boundary line of the northeast quarter of said section 23, 5708 feet to the north boundary line of the southeast quarter of said section 14, containing an area of 1.28 acres more or less in the northeast quarter of section 23 and an area of 7.25 acres more or less in the southeast quarter of section 14 Township 4 North, Range 9 West, situated in the County of Madison and State of Illinois) (also excepting that portion of premises in question conveyed by Benjamin Horton and Carrie H. Horton, his wife, to John C. Davie by deed dated May 13, 1965 recorded September 13, 1963 in Book 298 Page 245, described as follows: Strip of land 100 feet wide and containing 8.53 acres heretofore conveyed by the grantors to the grantee by deed dated March 2, 1963 and being a part of the northeast quarter of section 23 and part of the southeast quarter of section 14 all in Township 4 North, Range 9 West of the Third Principal Meridian, in Madison County, Illinois) also excepting that portion of premises in question conveyed

by Harry Seearles and Marnie Seearles, his wife, to Joseph Keel and Sons Company by deed dated June 20, 1964 recorded in Book 925 Page 54, described as follows: That portion of the northwest quarter of the northeast quarter of section 23 township 4 north range 9 west of the third principal meridian lying southeast of the right of way of the Cleveland, Cincinnati, Chicago and St. Louis Railroad and west of a line which is parallel to and one hundred and sixty feet distant measured at right angles from the aforementioned highway centerline excepting therefrom that tract of land previously conveyed to State of Illinois in Madison County, Illinois) (also excepting that right of way of the New York Central Railroad). (Also excepting that portion conveyed to Southwestern Town Lot Corporation by deed dated September 12, 1966 recorded September 12, 1966 in Book 249 Page 472 described as follows: A tract of land located in part of the southeast quarter of section 14 and in part of the north 1/2 of the north quarter of section 23 township 4 north range 9 west of the third principal meridian, Madison County, Illinois, more fully described as follows: Beginning at the southeast corner of the north 1/2 of the northeast quarter of section 23; thence north 86 degrees 21 minutes west from said beginning point and along the south line of the north 1/2 of the northeast quarter of section 23 a distance of 2,518.15 feet to the easterly right of way line of said State Route #111 (SAR #30, FAR

#123); thence north 02 degrees 27 minutes east along said right of way line a distance of 404.35 feet; thence north 86 degrees 23 minutes west continuing along said right of way line a distance of 860 feet to a point on the southeasterly right of way line of the New York Central Railroad formerly the Cleveland, Cincinnati Chicago and St. Louis Railroad; thence north 38 degrees 23 minutes east along said right of way line a distance of 3,518.00 feet to the north line of the South-east Quarter of section 14; thence south 85 degrees 38 minutes east along said line a distance of 456.76 feet to the northeast corner of the southeast quarter of section 14; thence south 0 degrees 21 minutes east along the east line of said section a distance of 2,654.57 feet to the south-east corner thereof; thence south 86 degrees 26 minutes east along the east line of the north 1/2 of the northeast quarter of section 23, a distance of 1,349.87 feet to the point of beginning, in Madison County, Illinois.

The hearing will be held at the above described site, MADISON COUNTY ZONING BOARD OF APPEALS PER Howard Kaseberg, Chairman 34-9-21

MADISON COUNTY ZONING ORDINANCE BOARD OF APPEALS NOTICE OF PUBLIC HEARING Notice is hereby given that the above named Board of Appeals, established under the Madison County Zoning Ordinance, will hold a Public Hearing on the 10th day of October, 1967, at the time and place as

noted below for the purpose of hearing testimony for and/or against the following proposed change in the above named ordinance. At 10:45 A.M. on the petition of Ruby and Eugene Neal, Owners of Record, requesting a Special Use Permit as per Article IV Section 9 of the Madison County Zoning Ordinance to place a mobile home in an R-4 Single Family Residential District in Nanticoke Township. Lot 1 Block 2 in Watson Subdivision, a subdivision in the Southwest Quarter of Section 31 Township 3 North Range 9 West. The hearing will be held at the above described site, MADISON COUNTY ZONING BOARD OF APPEALS PER Howard Kaseberg, Chairman 34-9-21

PUBLIC NOTICE NOTICE is hereby given that on the 2nd day of October, 1967 the Chouteau Township Road Commissioner, James Estes, will hold a hearing on a road which twelve (12) legal voters of Chouteau Township, Illinois have filed a petition to vacate. The road is variously located as follows.

One (1) and one-half (1 1/2) mile of oil surface road running north and south parallel with Illinois Route 111, one-half (1/2) mile west of Poag Road and Wagon Wheel Road.

The petitioners set forth that the road is in a state of disrepair, is being used as a dumping ground, is rutted, and is a safety hazard. The hearing will take place at the Chouteau Township Office of General Assistance on Old Alton Road

ENTERTAINS CLUB

Mrs. Johanna Milovich was hostess to the Jolly Matrons club in her home, 1240 Edwardsville road, Tuesday. Lunch was served by the hostess with the rest of the afternoon spent playing games. Mrs. Milovich won first prize. Mrs. Margaret Pressnell second and Mrs. Anna Mae Murphy third. Others taking part were Mrs. Marlene Serini, Mrs. Helen Thiele, Mrs. Margaret Grams and Mrs. Lottie Ostresh. Mrs. Murphy will entertain the members with a luncheon and game period in two weeks at her home, 1332 Edwardsville road.

RESUME MEETINGS

Brownie Troop 1106 met Monday with Mrs. Virginia Landwehrmer, the leader, at Harris school. The flag pledge, "America" and Brownie members were introduced.

Gloria Munk was in charge of roll call, with each Brownie telling of an experience in the summer vacation. Victoria Vaslof told the Brownie story as

in Chouteau Township, Illinois at 1:00 P.M. on the 2nd day of October, 1967.

JAMES ESTES
Chouteau Township
Road Commissioner
34-9-21

sisted by Ellen Voegel, with Mrs. Earl Bryson, doing the reading.

Activities for the year were discussed and Gloria Munk showed currency of the 1800s. The remainder of the time was spent singing.

Present were Robin Hefer, Anne Elbe, Linda Verba, Peggy Sanders, Beatrice Gatt, Tina Ellis, Mary Lee, Gaylene Landwehrmer, Ramona Hefer, Theresa Boyer, Marina Gatt, Deborah Fruit, Susan Bryson, Pamela Thompson, Gloria Britt, Jane Stevenson, Brenda Gruenfelder and Deborah Thompson.

SEPTEMBER MEETING

OF LADIES ORGANIZATION Mrs. Sally Bosworth, president of Madison Ladies City Organization, presided over a monthly meeting Monday evening at the Sportsman's club in Madison. The meeting opened with the Lord's prayer said

A note was received from Mrs. Ida Dant, who had been hospitalized.

Mrs. Penny Phillips, the former Penny Macraes, was a guest for the evening. Mrs. Phillips was a member of the acquisitions committee, he will be active in corporate diversification.

Donze, 44, has served for several years as planning consultant to GSI. He is a graduate of Duke University. The new department indicates the firm's effort to increase profits in present market areas and to seek new areas, Gray said.

CHARLES DONZE JR.

Donze to Head New General Steel Dept.

Charles A. Donze Jr. today was elected corporate vice-president of General Steel Industries to head the newly established department of corporate development. W. Ashley Gray Jr., GSI president, announced.

Donze will work with all six operating divisions of the firm to increase sales and profits. As a member of the acquisitions committee, he will be active in corporate diversification. Donze, 44, has served for several years as planning consultant to GSI. He is a graduate of Duke University. The new department indicates the firm's effort to increase profits in present market areas and to seek new areas, Gray said.

PLAN INVESTURE

Brownie Troop 73 met with Mrs. Thelma Shelly at the Madison recreation center Monday afternoon. The meeting opened with a flag ceremony, after which Mrs. Shelly presented each girl with a leaf which is to be used to list ten good deeds.

The girls are preparing for an investiture in the near future for Christine Trebing and a Sherri Lee Grzywacz. Leslie Ann Kelly assisted her mother with the meeting.

Brownies present were Christi Barnhart, Lisa Bevil, Marsha Collett, Lisa Ingraham, Lori Kipphery O'Dell, Barbara Riffert, Susan Schaffner, Linda Derder, Janet Draplich, Becky Dykes, Terri Fanning, Tammi Maers, Glenda Oliver and Debbie Townsend. Mrs. Sally Maers met with the group.

MISS SELLERS IS HONORED AT SHOWER

A bridal shower was held Sunday at the VFW hall honoring Miss Dianne Sellers, daughter of Mr. and Mrs. Frank Sellers, 1809 Rhodes street.

In charge of the arrangements were Mesdames Helen Vensky, Gloria Sellers, Barbara Treaster, Stella Sellers, Juanita Hejmi and Alice Konecny and Miss Marlene Meisheimer.

The gift table was decorated in pink and blue with a paper mache wedding cake and two tall white tapers as the centerpiece. Games were played and prizes went to Mesdames Dorothy Konecny, Doris Neal, Elaine Bishop and Edna George. The bride-to-be opened her many gifts.

The marriage of Miss Sellers and James Baker will take place Oct. 21 at the Polish National Catholic Church in Madison. Mr. Baker is from Corpus Christi, Tex., and is currently employed at the McDonnell-Douglas Corp.

Refreshments were served to the grandmother, Mrs. Garcia, the mother, Mrs. Vensky, Barbara Treaster, Sandra Cross, Nadine Williams, Lanora Hoch, Ann Santon, Mary Santon, Blaine, Glenda Vensky, Stella Franczak, Ivy Franczak, Clara Popovich, Peggy Stover, Lorraine Grimes, Marie Stover, Marilyn Schaffner, Marcella Ashford, Ellen Cain, Linda Rickett, Ann Nebesky, Ella Webb, Del Tutka, Pat McCosky, Elsie Piontonida, Blaine, Mary Ellen Santen, Kaminski, Elaine Jude and Earlene Melton and Misses Linda Blaine, Rosie Blaine, DeLores Franczak, Sandra Tutka, Kathleen Kalkhof and Susan Schaffner.

Pack 21 INSPECTION Cub Scout Pack 21 of Madison held a monthly meeting Monday evening at the Madison recreation center, called to order by Cubmaster Robert Noud. Flags were presented by a Boy Scout color guard of Troop 21. Den Six led the group in singing.

Parents of the boys were invited to the basement of the center to see slides and obtain information on cub scouting and service as den mothers and committeemen. An inspection of uniforms was carried out by Chuck Payne and Willard Ward.

A yearly roll call was taken by the secretary, Harold Pruitt. The Webelos den gave a play on advancement from Webelos to Boy Scouting.

Awards presented were: wolf, Doyle Pimmon and Donald Ashby; bear badge, Benny Dunnivant; lion, Earl Ingham, Kevin

in Ditch, Billy Knuchka, Kevin Peterson and David Garrison; denner bar, Gregory Obermeier; recruiter tie, Benny Dunnivant; and silver armband, Michael Moud. Michael Ramach entered the Webelos.

An award was presented by Payne to Frank Marcello for his work as a den chief. Other boys present were Brian Payne, Dennis Price, Tom Harris, Keny Dunnivant, George Price, Victor Welch, Bob Sorenson, David Resistant, David Meyer, Terry Harris, Allen Woodard, Tim Shrader, Billy Stogsdill, Lesley Stogsdill, John Kopchik, Larry Bransfield, Thomas Bain, Tim Flisk, Randy Thompson and Larry Nowicki.

The meeting of Pack 21 will be Oct. 3 at 7:30 p.m. at the Madison recreation center.

NAME PATROL LEADER

Junior Girl Scout Troop Three met with the leader, Mrs. Bernadine Weidner Tuesday in the Louis Baer school lunch room. The girls opened with the pledge to the flag, election of officers and patrol leaders and the naming of various patrols.

Patti Malon was elected scribe and Joann Weidner, treasurer. Sharon Serini was named leader of the Shooting Stars patrol, with Roberta Hall, Patricia Stenger and Rebecca Hall.

Bernadine Stenger is leader of the Flaming Stars patrol, with Jeanne Fastus as assistant leader and Ida Napier, Judy Trindle and Venus Woods as members. Selma Affeldt will lead the Silver Star patrol, assisted by Christi Shelly and by Ruth Ann Fanning and Laura Neibus.

Jo Ann Weidner is leader of the Golden Rainbow patrol, with Beth Ann Dykes as assistant and Patti Malon and Debbie Kelly as members.

Mrs. Weidner presented each girl with a telephone key chain. Projects were discussed for the coming year.

Three girls were honored for perfect attendance. The records—Roberta Hall, Rebecca Hall and Joann Weidner. Joann Weidner played a tune on the bass clarinet, and the meeting closed with "Taps."

HOME FROM HOSPITAL Mrs. August Withaus returned to her home, 1608 Seventh street, Sunday after spending two weeks in Barnes Hospital, St. Louis, where tests were made.

SURPRISE PARTY

Mr. and Mrs. Everett Cottrell, Mr. and Mrs. John Mordt, Mr. and Mrs. John Kovach, Mr. and Mrs. Forrest Friend, Mr. and Mrs. Stanley Serwaka, Mr. and Mrs. Gus Liggett and Mr. and Mrs. Robert Barnhart surprised Elmer Voegel Jr. as they arrived at his home, 1809 Fourth street, to observe his birthday Sunday.

Members of his family enjoying the party were Mr. and Mrs. Elmer Voegel sr., Mrs. Fay Little, Mrs. Emma Hawkins, Mr. and Mrs. Earl Voegel and Mrs. Jean Voegel and daughter, Ellen.

Gifts were presented to the honored guest, Mrs. Serwaka baked a birthday cake and Mrs. Barnhart and Mrs. Friend assisted Mrs. Voegel.

Miss Melaka Kord Serini, 1927 Third street, returned home Tuesday from Christian Western Hospital, East St. Louis, where she had been a patient.

MORE ABOUT

Simon

Simon said, "The \$200 contribution to Simon's campaign expenses by the Madison county regular Democratic organization lent some credence to the rumor at the time because Simon has not always been in accord with the Madison county organization nor, with state Democratic leaders."

He is known primarily as an independent Democrat and on occasion has opposed district and state Democrat policies. He has been an outspoken opponent of crime, bribery in the General Assembly and abuses of patronage politics.

Night Make Primary Race
Whether or not he would consider an open primary fight for the U.S. Senator nomination if Mayor Daley and other Democratic leaders do not support him would depend upon the candidate selected, the senator said.

"I might consider a primary fight in June if the party puts up a weak candidate," he said, "but this is not likely since the Democrats are aware they must have a strong candidate because of a feeling that 1968 will be a tough election."

The decision of Gov. Kerner on whether he will seek re-election is expected to play a major part in the makeup of the head of the Democratic ticket next spring, Kerner said. He has given no indication as to his plans to seek re-election. There have been reports that Kerner might even decide to make the U.S. Senatorial race and there has been some talk that Kerner would receive a federal appointment and move out of the state picture entirely.

MORE ABOUT

Madison School

vested, including \$100,000 of the bond and interest fund for 90 days at 3% \$100,000 of building funds for 90 days at 3% and \$200,000 of educational funds for 90 days at 3%.

John Gitchell, school attorney, suggested that the board attempt to obtain security for all monies invested above the \$15,000 guaranteed by the Federal Deposit Insurance Corp.

Supt. Dragich said earnings from the investments could be used on school projects.

The deadline for students to obtain tuition for attendance at a state junior college was extended from July 1 to Sept. 30 for this year.

Supt. Dragich said several students had received incorrect information from colleges and now seek paid tuition, to enroll at the Belleville junior college.

About eight students from the Madison district will be attending the Belleville college this year. Dragich said it is more expensive for a student to attend a junior college than to attend the Southern Illinois University Southwestern campus.

Project Uplift

The superintendent reported that its "Project Uplift" program has been approved by the office of the state superintendent of public instruction and the district should receive a grant of \$125,000, about the same as last year.

Permission was granted for Arthur Christie, social worker, to attend a state conference this weekend at Zion, and for James L. Loy, high school science teacher, to attend a regional meeting of national sci-

ence teachers Sept. 30-Oct. 1 at Chicago.

The resignation of Mrs. Annie Claggett, teacher aide at Dunbar school, was accepted and Mrs. Mary Scruggs was employed to succeed her.

It was announced that the Madison County School Lunch Association will meet next Thursday at Edwardsville high school, a dinner for legislators will be sponsored by the Madison county education department at 7 p.m. Tuesday at Alton, and the Southwestern division of the Illinois Association of School Boards will hold a dinner meeting at 6 p.m. Oct. 4 at Red Bud.

Increase Bond

An increase in the school treasurer bond from \$250,000 to \$600,000, as required by law, was approved.

The school treasurer reported Sept. 1 cash balances of \$405,135 in the educational fund, \$4318 in the lunch fund, \$127,785 in the building fund and \$104,654 in the bonds and interest fund for a total of \$641,363.

The board approved August salaries of \$56,780, plus withholding of \$18,430, and August bills of \$28,128 from the education fund and \$10,156 from the building fund.

Two-Car Collision

Cars driven by Fred D. Scaturro, 1229 Robin street, Venice, and Austin Gladney, East St. Louis, collided at 3:35 p.m. Tuesday at State and Third street in Madison.

MORE ABOUT

McKinley Bridge

erage will cost a three-year premium of \$135,238.

Added to this, Bridge Manager Henry McMullen said, are other premiums on additional insurance, including risk and occupancy coverage, that will bring insurance costs to a total of \$183,232 for the next three years.

The new budget approved Tuesday night raised the insurance cost to \$55,000 for this year, an increase of \$20,000 over the amount fixed in the tentative budget established in August. Mayor Lee pointed out that while insurance costs will increase about \$40,000 a year, only \$20,000 additional was needed in the new budget because of a reserve balance in the insurance fund.

Adoption of the final budget showed that seven account items were changed, with Hardisty & Hanover approval, since the tentative budget was drafted last month. Wage increases accounted for five of these.

The tentative budget of \$5876 was raised to \$6000 to provide a \$204 per year raise for the chief toll collector, and 19 tentative figure of \$58,872 was raised to \$62,700 to permit wage boosts for 11 toll collectors.

List Budget Boosts

These items raised the budget for operating expenses from a tentative figure of \$53,288 to \$57,440.

In the maintenance expense account, the tentative budget was raised from \$6528 to \$6720 for a \$192 per year raise for the chief maintenance man, and from \$2940 to \$3020 to raise salaries of two maintenance men. These items raised the overall maintenance expense budget from \$23,568 to \$24,720.

Increases approved in the general and administrative account included: from \$26,588 to \$28,020 to provide salary raises for office workers; from \$55,000 to \$55,000 for insurance premiums, and from \$11,000 to \$11,600 for social security payments, raising the overall account total from \$203,833 to \$225,465.

Wage increases allowed by Hardisty & Hanover ranged from \$17 to \$29 per month, with two exceptions, Mayor Lee said. He noted that the exceptions were the two regular maintenance men, whose total salaries were boosted from \$2940 to \$3020, or a raise of \$40 per month each. The mayor said both of these employees had been working at unusually low wages on the bridge salary schedule.

To Replace Railings

The separate Replacement and Improvement fund budget of \$115,000 includes \$75,000 for replacement of bridge railings from the main span to the top of the Venice approach. The work is to be done during the 1967-68 fiscal year as funds become available.

Last year, a \$155,000 rail replacement program was completed on the west end of the bridge.

The R&I fund budget also includes an item of \$20,000 as a partial payment toward the bridge administration expects to spend for the Venice approach connection with the proposed Broadway underpass when Federal Aid Route 151 is extended through Venice.

The bridge participation fund was begun last year and the second, bringing the fund total to \$40,000. An additional \$20,000 will be budgeted annually for the next three years.

\$6,000 in Missouri Taxes
Other items of the R&I budget include \$4000 for repair and rehabilitation of the automatic toll equipment, \$2100 for curbing repairs on the Venice approach, \$2800 for repairing cracked concrete coping, \$1100 for pavement resurfacing on lane two of the toll plaza area and \$10,000 for miscellaneous.

Three ordinances were adopted by the council, one approving the operating budget, another approving the R&I budget, and a third providing that the balances in all operating funds at the end of the current fiscal year on Sept. 30 be transferred into the fund for payment of Missouri taxes.

The Missouri tax bill is expected to exceed \$85,000 this year.

United Fund

for the sick, the troubled or the needy.

United Fund money also has its character building responsibility. Financial assistance goes to the Boy Scouts, Girl Scouts, the YMCA and the YWCA's and the Madison Teen Towns. For the lonely serviceman, there's the USO—a home away from home.

Without United Fund help, the series of scout programs and the YMCA and Teen Towns would charge much larger dues or fees that would price the programs above the means of many youngsters receiving the benefits, Milonski pointed out. With the new fund drive to start Oct. 2, Milonski said he will be giving further reports on the United Fund agencies serving Quad-Cityans.

COUNTY-WIDE MEETINGS for the 1967-68 Madison County Baptist Association Sunday school enrollment campaign were held at Third Baptist Church here four mornings this week. Pictured (left to right) are Rev. Wendell Garrison of Suburban Baptist Church, moderator; Rev. W. J. Richards, association superintendent of missions; Dr. Howard Halsell, Nashville, Tenn., director of the Southern Baptist Church Sunday School Department; and Rev. Ralph Dollar of Pleasant Ridge, association Sunday school superintendent.

Fourth Degree of KC Installation last Night

More than 80 persons witnessed the annual installation of the Knights of Columbus Fourth Degree, Tri-City Assembly 1086, last night at the Knights of Columbus hall.

The ceremony was conducted by district officers, Robert A. Meisner of Breas, worthy master of the Southern District of Illinois; Bernard Koppers, installing marshal; and Leonard Kampwerth, installing warden.

Invested with their jewels of office by Worthy Master Meisner, were Harry H. Hadley, faithful navigator; Anthony Mangiaracino, faithful admiral; Walter Christiansen, faithful captain; James DeRuntz, faithful comptroller; Edward Boyer, faithful pilot; Victor Kahn, inner sentinel; Aloys Lucash, outer sentinel; and trustees, Dr. Leo A. Roman, Dan McGee and Edward Lenzi.

GC Comptroller \$780,337 Venice School Tax Levy Proposal Loses

A two-month struggle by the Finance committee of the Granite City Council to "straighten out" bookkeeping procedures with fund transfers ended in defeat during Tuesday's adjourned meeting of the council.

The transfer had been recommended by Comptroller Robert Stevens. Action on the resolution was deferred two weeks ago by the Finance committee.

A week earlier, board members adopted a record-breaking \$1,032,137 appropriation for operation of Venice schools in 1967-68, up \$98,054 over the previous year's budget. A breakdown of the expected new tax rate of \$2.19 and the amounts levied are: education, \$1.65; \$89,750; building, 26 cents; \$22,244; Illinois Municipal Retirement Fund, three cents; \$10,650; working cash fund, \$2,822 cents; \$10,000; bonds and interest, 17.8 cents; \$63,912; transportation, five cents; \$17,780; and junior college fund, no levy.

Principal tax rate increases are expected in the education and buildings funds, up five cents each, and the retirement fund, up two cents.

Legislature Ends Session; Plans to Reconvene Oct. 16

The Illinois Legislature, after a week-long impasse between House Republicans and Democrats, adjourned Tuesday night.

The resolution called for a transfer of \$77,000 from working cash and \$25,027 from the sales tax account.

Alderman Rutledge is vacationing and was not present for this week's council sessions. He has repeatedly pointed out the city's sales tax reserve amount listed on the monthly financial reports lists a reserve larger than actually exists, since the money actually was spent for sewer repairs.

Motorist Injured

One motorist was injured and three cars were damaged at 8 a.m. Tuesday in a collision in the 200 block of State street in Madison. Police reported John K. Allen, 36, Florissant, Mo., suffered a lip laceration when his car was struck by one driven by Enrique Lopez, 407 Fourth street, Venice. Lopez said his car, northbound on State street, collided with one driven by Raymond E. Jones, Belleville, as it pulled away from the curb. Lopez's car was knocked into the other lane of traffic striking Allen's southbound car head-on.

Collide in Madison

An auto and a pickup truck were damaged in the 1300 block of State street in Madison at 7:30 a.m. Wednesday. Madison police said the truck, driven by Leonard E. Richardson of Troy, stopped for traffic on State street and was struck from the rear by a car driven by Frank A. Polio, Alton.

City Approves Lot Line Variances for 3 Carports

Three side lot line variances granted by the Granite City Zoning Board of Appeals were presented Monday night to the Granite City council and were approved at Tuesday's adjourned meeting.

The five-foot side property lines in R-2 residential areas were granted by the appeals board for construction of carports. David John, zoning appeals board chairman, said they are Dr. Sidney Massie, 2545 Edison avenue, Donald Mega, 2483 St. Clair avenue, and Earl T. Spenner, 2461 St. Clair avenue.

Referred to the City Plan Commission was a request by Miller-Wolf Realty for a special use permit for operation of an automatic car wash at 2224 Madison avenue. It was noted the property is zoned M-1 manufacturing.

Also referred to the City Plan Commission was a request by James Green for a C-1 commercial zoning designation for

a lot at East 25th street and Washington avenues.

Apartment or Commercial
Alderman Whitmer remarked that he had been advised by Green that the plan was to raise an old dwelling and construct a four-family apartment structure. He asked that the City Plan Commission be advised that the alderman of the ward did not favor a C-1 commercial designation.

Under study by the council, with a report requested by Alderman Bartosiek, is an application from Wells Tri-City Tire Co., 2248 Madison avenue, for a 50-foot driveway at 2246 Madison avenue.

Placed on file was a request by William Dollins, who lives outside the city limits at 1708 Ferguson avenue, for permission to connect onto the city's sanitary sewer system.

Referred to City Atty. Allen was a notice from the Illinois Industrial Commission that a hearing is to be held Oct. 2 at the Labor Temple here for a claim filed by Thomas Kula,

2443 Delmar avenue, a sewage treatment plant employee, who was injured in a fall off a ladder while cleaning a conveyor belt on Aug. 7.

Intent to File Claim
Allen also is to handle a communication received from Doyle Elevator & Co. of Belleville that is investigating a sidewalk mishap which was reported to have occurred Aug. 7 at 10 a.m. in the 1200 block of Niedringhaus avenue. The firm said a claim against the city may be filed by Henry Trostwein, St. Louis, who said he was hurt in the fall.

Placed on file was a notice from the state Sanitary Water Board that plans for the sanitary sewer construction in North Granite and in sections of the West Granite and Nanticoke areas are acceptable to the state. Copies of the notice are to be sent to the bond attorney and the project engineer.

The club's annual Christmas tree sale last night. The lot will be used by the club from Dec. 1 to Dec. 24.

The approved was a request by the Int-Cities Area United Fund for a United Fund campaign banner to be placed across Niedringhaus avenue at the city hall during October—the month of the annual campaign.

Permission was given the Tri-City Trades & Labor Council to distribute handbills at construction sites in the city where union labor is not used. Edwin Reiske, president of the Trades Council, said in a letter action was taken by Trades Council delegates. No locations were listed.

Approved was a request by Victor Koenig, city civil defense director, for an allowance of \$267 for attendance at a conference of the U.S. Civil Defense Council in Miami, Fla., Oct. 30-Nov. 3. Koenig said he plans to further the city's requests for matching federal funds for purchase of CD equipment.

Trustee Sought for C. W. Burton Assets

Petition for the appointment of a trustee for the unclaimed assets of C. W. Burton and his wife, Mrs. Martha Burton has been filed in circuit court at Edwardsville, recalling the 15-year-old mystery of the whereabouts of Mr. and Mrs. Burton. The petition was filed by Mrs. Irene Harrell, widow of former Madison County Sheriff Dallas Harrell who represented the Burtons in converting property to cash to satisfy income tax liens in 1952.

Mrs. Harrell's petition said her late husband came into possession of \$52,474 and 202 shares of corporation stocks when he was granted power of attorney by the Burtons in December, 1932. Burton was former Madison county state's attorney from 1940 to 1948. He was in private practice when he suffered an apparent heart attack in 1951.

Early in 1952, Burton and his wife left Edwardsville for Florida, accompanied by Dallas Harrell. Later Harrell was granted power of attorney to settle the income tax claims for the Burtons.

Mrs. Harrell told the court she does not know where the Burtons are alive or dead. She said she has had no communication from them since 1952.

County Report

Births, Deaths Decline In August; Weddings Up

Madison county births and deaths declined during August below those of the same month a year ago, while the number of marriages increased slightly, according to a report this week by Eulalia Hotz Madison county clerk.

Statistics show that 185 boys were born last month, compared to 178 in August 1956; while 161 girls were born, compared to 157 in the same month last year. This made a total of

346 births last month, or 14 less than the 360 a year ago. Miss Hotz reported that last month's births included three sets of twins, while only one set was born a year ago. A total of 151 deaths were reported last month, a reduction of 32 below the August 1956 total of 203. Last month's marriages totaled 218, Miss Hotz said, while in August a year ago 212 couples were married.

MHS Class of 1943 To Plan 25th Reunion

Members of the 1943 graduating class of Madison senior high school who are willing to help formulate plans for the 25th reunion celebration next spring, are asked to contact two former classmates and volunteer their services.

Previously, the MHS graduates held successful reunions on their tenth and fifteenth anniversaries and an equally effective response to the 25-year observance is anticipated.

Anyone willing to serve on the arrangement committee, or who have suggestions to offer, are asked to call Mrs. John (Lois Elwanda) Forshee Haynes, at TR-5-094, or contact Francis Dant, Madison high school principal.

Madison County's State School Aid Tops \$12 Million

Madison county school districts will receive \$12,748,152 in Illinois State School aid during the 1957-58 fiscal year under the new payment of \$400 per pupil instead of the \$300 paid last year. The aid was released by the office of Ray Page, state superintendent of public instruction, at Springfield.

The new \$400 foundation level was approved by the General Assembly this year in a bill that also provides payments may be made on a current basis. Madison county schools therefore are scheduled to receive \$1,062,346 per month.

Page announced Tuesday that he had approved the first payment under the new law. Two monthly payments of \$30,105.18 each for schools through the state were authorized. The next payment will be due in October.

Payments Advanced
Page pointed out that schools are now receiving state aid for four months in advance of payments made under the old system, and these early payments, made on a current basis, should help alleviate the strained financial conditions in many school districts. Previously first payments were made in January following the opening of school in September.

Madison county's monthly payment total of \$1,062,346 is the third largest among all downstate counties. Largest payment downstate is that of DuPage county, \$1,296,981, with St. Clair county second at \$1,062,197.

Payments in Cook county to school districts both outside of Chicago and in the city of Chicago, amount to \$12,834,317 per month. Mrs. Roy G. Johnson, reside at 121 Lenox avenue, Mitchell, recently completed a wheeled vehicle mechanic course at Fort Leonard Wood, Mo.

During the course, the local youths were trained to repair internal combustion engines and wheeled vehicle chassis components. Instruction also was given in the fundamentals of electrical and transmission systems.

OUTSTANDING FEDERAL EMPLOYEE certificate presented to Robert L. Walsh (right), 3016 Forest avenue, by C. R. Corbin of the U. S. Army Aviation Materiel Command in St. Louis where Walsh is employed.

Mitchell Boy Held In Shooting Released

A 15-year-old Mitchell boy held in connection with the shotgun shooting of Gerald Wilson, 17, of 220 Lenox avenue, Mitchell, was released without charge Monday on orders of the state's attorney's office.

A juvenile court hearing had been scheduled for Monday, but it was canceled after the state's attorney's office determined that there was insufficient evidence to hold him.

Wilson was wounded in the chest and arms by a 12-gauge shotgun early Saturday while scuffling with another youth in a Mitchell home over a girl friend. The youth was admitted to St. Elizabeth Hospital and was reported to be in good condition this week.

Daughter Born to Sgt. and Mrs. Hahne
Marine Sgt. and Mrs. Larry D. Hahne, stationed in Honolulu, Hawaii, are parents of a daughter, their first child, born Sept. 5. The infant, whose weight was four pounds, six ounces, has been named Katherine Ann.

Mrs. Hahne is the former Alice Sudek, a daughter of Mrs. Ann Sudek, 1311 Iowa street, Madison. The paternal grandparents are Mr. and Mrs. Armond Hahne, 711 Madison avenue.

20 Practical Nurse Candidates Interviewed

Twenty prospective practical nursing candidates from this area were interviewed yesterday at St. Elizabeth Hospital, occupying the entire day's interview schedule, according to John Drees, hospital public relations director.

Those interviewed are hopeful of being accepted for the next 48-week course in practical nursing to begin in January at the F. W. Olin Vocational School of Practical Nursing, 2200 College avenue, Alton. Additional consultations with school officials were conducted Tuesday and yesterday at the

New GC DeMolay Class Honors Dr. Wiesman

The Dr. Irvin Wiesman was honored at Granite City Chapter Order of DeMolay Tuesday evening by having a DeMolay Class named "The Dr. Irvin Wiesman Memorial Class."

JAMES FITZPATRICK

James Fitzpatrick, son of Mr. and Mrs. Charles Hileman, 2300 Lynch avenue, was elected senior counselor and Richard Lowe, son of Mr. and Mrs. Glenwood Lowe, 2313 Wayne was chosen as junior counselor.

Elected chaplain was Randy Fowler, son of Mr. and Mrs. Woodward Fowler, 2209 Delmar avenue. Joey Vaughn, son of Mr. and Mrs. William Vaughn, 1603 Second street, Madison, was named treasurer.

A public installation ceremony for newly elected officers and appointees will be held at a time to be announced later.

Election of officers followed initiation of the "Dr. Irvin Wiesman Memorial Class." Past Master Councilor Reggie Teague presided at the meeting as Master Councilor Terry Waf-

Decade of Progress DeMolays Elect Officers. Plan Public Installation

Opens at McKendree

A \$16 million "Decade of Progress" program for McKendree College has been launched at a meeting of the McKendree Board of Trustees, according to a joint announcement by President Edwin E. Voigt and Trustee President Milburn P. Akers of Chicago.

Marking the beginning of the four-year liberal arts college's 15th decade, the program projects a \$7.5 million physical improvement and enlargement of the campus at Lebanon.

Plans call for construction of a new library, four additional residence halls, a classroom building, an extension of the campus center building, a chapel-auditorium, a new gymnasium and other physical education facilities.

A modernization of existing campus buildings and conversion of some to new uses is slated. Studies are under way to determine enrollment growth. Enrollment may rise to more than 2000 students by 1978, the college's sesquicentennial year.

The Decade of Progress also includes \$3.5 million for academic growth and improvement, increases in faculty salaries, increases in the number of faculty and funds to support a high quality educational program. An additional \$5 million will be secured for the college endowment funds.

EUJ Teacher Grads Given High Ratings

Results of a follow-up study indicate that "Eastern Illinois University is turning out professional teachers who are highly regarded by the supervisory personnel of the public schools," according to Robert E. Jones, assistant director of placement.

In replies to questionnaires, administrators in schools employing Eastern's 1966 graduates evaluated the beginning teachers highly in six basic areas of proficiency.

They are able to control classroom discipline, ability to motivate students, ability to develop good relations with others, willingness to discharge out-of-class responsibilities, willingness to participate in professional organizations and preparation in their major field.

GC Youth is Student Teaching at Decatur

Dennis R. Durbin, a senior in music education at the University of Illinois, Champaign, currently is student teaching at Steven Decatur high school and John Hill junior high school, both located in Decatur. He is a son of Mrs. Wynne Durbin, 1644 Venice avenue.

A 1964 graduate of Granite City high school, Durbin is assisting with band instruction at the two schools. He will resume his formal studies in October at the U. of I., where he has been a member of the "Marching Illinois" band since his freshman year.

Open House Friday At University Center

The Program council of Southern Illinois University's Southwestern campus will sponsor a University Center open house for students from 7 p.m. to midnight Friday.

The open house, subtitled "Recruitment Night," will display work of each of the Program council's eight committees. The program is intended to give students an idea of what each committee does, and to encourage students to join them.

Highlights of the evening will include the Barcelona Brass playing in the Sunken lounge, billiard and pool demonstrations by trick shot artists, film shorts on current events, tours of the building, free recreational facilities and the first mixer dance of the fall quarter, featuring the Excels.

Boys, Girls Judo Training at YMCA

Saturday morning Judo classes for boys and girls have been initiated at the local YMCA. It was reported today.

Ed Posey, Brown belt holder, is instructor of the classes which are still open to registration which will be taken in the youth department or by calling TR 6-7200.

Classes for boys and girls from eight through 14 are held each Saturday morning from 9 to 10:30, and for boys and girls 15 through 18 from 10:30 to noon.

Posey said registrations now are being taken at the "Y" desk for formation of an adult class to begin Thursday, Oct. 12. The course is free to "Y" members and a fee of \$15 for non-members.

Fred Allen Receives MS Degree at ISU

Fred Allen, son of Mr. and Mrs. Robert Allen, 3040 Myrtle avenue, will receive his master's degree from Illinois State University, Normal.

He was among 44 students completing work in post-session classes. The degrees are being mailed to the graduates.

Two Youths Volunteer For Army this Week

Two 19-year-old Granite City youths enlisted this week in the U.S. Army, according to Staff Sgt. Morris L. Cook and Sgt. First Class Harold C. Pratte of the local U.S. Army Recruiting Station, 1340 Niederrhein avenue.

Now undergoing basic training at Fort Leonard Wood, Mo., are Robert Edward Brokaw Jr., son of Mr. and Mrs. Robert E. Brokaw, 2221 Grand avenue, who enlisted Monday, and Maynard J. McCrea, son of Mr. and Mrs. Maynard McCrea, 2411 Delta avenue, who volunteered the following day.

Brokaw, a 1966 graduate of Granite City high school, selected Airborne training as his

Two GC Students to Be Practice Teachers

Two Granite City education students at Illinois State University, Normal, have received practice teaching assignments starting this month to qualify for their bachelor's degrees.

They are Judith Loftus, 2101 Ash avenue, teaching the seventh grade in Metcalf school, Normal, and Virgil Paullet, 2846 Grand avenue, teaching the blind and elementary in Westview school, Champaign, and the partially seeing in Douglas school, Pekin.

guaranteed enlistment option. McCrea, also a former GCHS student, chose Regular Army—unassigned as his enlistment option.

2 GC Students Pledge Frats at Missouri U

Two Granite City students have pledged social fraternities at the University of Missouri, Columbia, during the summer rush period.

They are Terry Michael Moore, Beta Theta Pi, and John Mark Dufner, Delta Sigma Phi.

Board Feels City Should Set Own Air Standards

Defense of the city's Air Pollution Control law and requirements that are more stringent than the state control law was based on the clean air board commissioners' belief that the city should have power to determine its own standards.

Spokesmen for the control board Monday night during a two-hour debate over repeal of the July 3 control ordinance were Burton Bernard, local lawyer and a clean air commissioner, and Prof. Erwin Hoelscher, part-time technical secretary for the board.

Most of the 14 aldermen present participated in the discussion, which went on quietly except for two or three flareups when the opponents and proponents of the law exchanged accusations.

The amending ordinance, presented to the board,

sented to the Ordinance committee by Alderman Ford Johnson, was brought up early in the meeting instead at the end of the agenda's new business.

It calls for substitution of standards set by the city's new control ordinance and replacing them with the "Rules and Regulations Governing the Control of Air Pollution" as adopted by the state on March 26, 1965, and amended March 30, 1967.

Also included in a provision for the board to hold public hearings before making any recommendations for amendments to the council, with the hearing "to determine the effect of such proposed amendments on the protection of normal health, general welfare and physical property of the people, maximum employment and the full industrial development of

the city."

Supporting the city clean air board, Alderman Fry noted "the state has never cited any in this city yet and the air is being polluted. The state is readying a sulphur emission control program. We have an ordinance that the board feels is best for the city and one that can be carried out."

"No definite date has been set yet for any enforcement, so why don't you hear from the city's technical secretary?" he told the council.

Mayor Partney also suggested the council hear from Professor Hoelscher, and it was agreed to give the control board five minutes.

Henry Bieniecki, chairman of the board, said he preferred for Bernard to speak.

"We should be going in the same direction. We all want controls, and this is the time to take positive steps. We know some of the rumors going around. I am not opposed to repealing the ordinance. I have a five-year-old girl with asthmatic condition and know what clean air means, but we've been told by the state air pollution control officials that we can't supercede the state. We're going to have to go about this step by step."

A dispute arose over who prepared the amending ordinance. Alderman Fry asked City Atty. Allen if he had written it, and was told it had been delivered to Allen's office.

"It was prepared by attorneys for Granite City Steel Co. and if you recall, during a hearing in East St. Louis, it was brought out that Granite City Steel has the council under control," Fry commented.

Whitmer, who identified himself as a Granite City Steel employee, said he knew of no instance in which the firm tried to control the council. "There's no truth to Fry's statement."

Other council members employed at the plant, Dallas and Partney, said they had never been contacted by anyone from the firm for any reason concerning council business.

Alderman Johnson, also an employee there, said the company had not influenced him.

board and should we have local regulations?"

Prof. Hoelscher commented that if the city went to the state air pollution control regulation, "you'll perpetuate the present situation."

"Under the present law, companies will know the goal to be attained. This doesn't mean there will be no consideration of technological and economic factors. If the ordinance requirements aren't met today, then maybe it can be done in five to eight years."

City-State Accord

In presenting the amending ordinance for first reading, Alderman Johnson pointed out the city and state should be in accord for air pollution controls. "We should be going in the same direction. We all want controls, and this is the time to take positive steps. We know some of the rumors going around. I am not opposed to repealing the ordinance. I have a five-year-old girl with asthmatic condition and know what clean air means, but we've been told by the state air pollution control officials that we can't supercede the state. We're going to have to go about this step by step."

A dispute arose over who prepared the amending ordinance. Alderman Fry asked City Atty. Allen if he had written it, and was told it had been delivered to Allen's office.

"It was prepared by attorneys for Granite City Steel Co. and if you recall, during a hearing in East St. Louis, it was brought out that Granite City Steel has the council under control," Fry commented.

Whitmer, who identified himself as a Granite City Steel employee, said he knew of no instance in which the firm tried to control the council. "There's no truth to Fry's statement."

Other council members employed at the plant, Dallas and Partney, said they had never been contacted by anyone from the firm for any reason concerning council business.

Alderman Johnson, also an employee there, said the company had not influenced him.

Tucker Stresses Differences of 'Goals, 'Standards'

Copies of a report prepared by Raymond R. Tucker, former St. Louis mayor and now a professor at Washington University and consultant on air pollution matters for Granite City Steel Co., were distributed to city council members Monday evening, prior to the council session. Excerpts were read during the meeting.

The report on the city's new Air Pollution Control ordinance was prepared for the council and said that the two important phases of a control program are "goals which the area can achieve over a period of years," and "a list of standards which must be met as soon as the state's regulations are enacted."

Tucker, who as smoke commissioner for St. Louis in the late 1960s aided the city of Granite in devising its fly ash control ordinance, listed five "ingredients of a successful control program—

"1. A clear distinction in the control ordinance between goals for the long-term and standards to be enforced."

"2. A provision for the regular review of standards as control technology advances, preferably by the State because its resources and staff appear to be better equipped to do an effective job in this field."

"3. The ability to provide the area with sufficient financial support over a long-term period to enable the board to obtain and keep an adequate staff. In my experience, this activity requires a sizeable budget. A modern program must deal with the regulation of increasingly complicated facilities and processes, and the staff must be correspondingly well versed in engineering and technology. These people are not easy to get."

"4. The absence of political interference."

"5. An administrator able to satisfy the general public as well as to operate an organization."

"Job Can Be Done"

"I am convinced," Tucker said, "that the job of air pollution abatement can be done in Granite City and elsewhere in the metropolitan area. It will be done. However, it will not be done overnight. It will take time, persistence and a sound, well planned control program with both goals and standards."

Tucker pointed out, "The public must be aroused before you can hope to achieve any real improvement. Your air can only be as clean as the public desires and is willing to pay for. There is no easy solution. This matter of air pollution. There is no cheap solution. What is needed is an effective, constructive program and proper leadership."

"One should never forget that the purpose of a control program is to eliminate a nuisance, not to chastise the one responsible for the nuisance. Passage of an ordinance does not itself remove one grain of dust or one part per million of sulphur dioxide."

"And neither does the establishment of goals in and of themselves accomplish this purpose. There must be standards which are attainable and a means of making progress toward your goals."

"The real value of standards lies in their serving as steps which can lead toward the ultimate realization of the goals. Standards are meant to be enforced immediately or in the near future. Therefore, standards should be practical and economically feasible at the present time in the light of existing technology, equipment and sources of energy."

press me as being reasonable initial standards for a control program for this kind of area and for the industrial operations to be controlled."

"As far as Granite City Steel is concerned, the Illinois regulations are standards which can be enforced without resort to a variance procedure. They can be achieved with present technology which is most important."

"Obviously, standards must be reviewed at regular intervals to see how they can be improved as technology improves so they will be brought closer and closer to the goals of the control program. I understand that the technical advisory committee of the state of Illinois is continuously doing this review work and has the personnel and necessary budget to carry on this essential part of a total control program."

"In my experience, industry today as in the past is generally lax as to the need for air pollution abatement. The argument, where one exists, is most often that the present standards are too strict. However, your formal policy in relation to pollution control and it calls for taking all practical measures necessary to prevent or abate air and water pollution resulting from your operations. It is your responsibility to assign to bring and keep pollution under control. It is assumed, of course, that you will continue to cooperate fully with the governmental agencies charged with pollution control."

and stressed that the city had been told by Clarence Klassen, chairman of the state Air Pollution Control board, that the city could not go beyond the state's regulations.

Want Klassen to Speak

Whitmer asked that Klassen be invited to attend a meeting of the city council and the city clean air board to go over the entire procedure with all concerned.

Alderman Partney called for the city to work toward getting an exemption. He pointed out it would be necessary to get a full state staff.

"Once we're in control, then we can go into sulphur controls and set our own standards. Why should we have a law we can't enforce. We were told when the changes were made in July that they followed the state law. I tried to defer action so we could study the matter, but we were sold a bill of goods," Partney remarked.

Other aldermen agreed with Partney's comments, and said they were aware of the differences in the city and state control laws until they read of protests by the industries.

Partney was given for Atty. Randall Robertson to speak. He explained he was representing General Steel Industries, Union Steel & Refining Co., and Granite City Steel Co., and was told to appear at the meeting.

He added that he had talked with City Clean Air Chairman Bieniecki and was advised that it would be better to present the industries' case to the city council. "I wasn't trying to go around the board; I was told this was the approach for us to take."

Robertson said industries found serious problems in that technology had not caught up with the goals that the city's new ordinance had set. He added that the state control board would be met.

Ald From State Staff

"We believe it would be advantageous to the city to adopt the state code and get aid from the state board's staff at the Collinsville office."

Boyd also called for a public hearing before the city makes any changes in the present control law. His motion was approved by the council.

Reviewed State Program

"I have also reviewed the regulations adopted by the state of Illinois and it is my understanding that their technical advisory committee and staff are working on further rules and regulations. Generally speaking, these regulations im-

RECENT BRIDE. Mrs. James W. Gonsky, the former Pamela Jane Schaffer, daughter of Mr. and Mrs. John Shaffer of Dahlgren, Ill., who was married at Mount Pleasant Methodist Church in McLeansboro, Ill. The bridegroom is a son of Mrs. Frank Damo, 5105 Lewis place, and the late James A. Gonsky.

Miss Nelle Carr Is DARR Hostess

The opening meeting of Drucilla Andrews Chapter, Daughters of the American Revolution, was held Monday evening in the home of Miss Nelle Carr, 2708 Harvey place. The highlight of the meeting was the observance of the 40th anniversary of the chapter which took place Sept. 12, 1924.

Mrs. Mary Connolly, the only living charter member, was presented with a birthday cake by Mrs. Harry Johnson, regent, and Miss Nelle Carr, a descendant of Drucilla Andrews, for whom the chapter was named, gave her history.

Mrs. Eva Meier read the president general's message. Mrs. Johnson conducted the meeting following the usual opening, the salute to the flag and prayer by the chaplain.

Fifteen members were present and plans were made for the next meeting in the home of Mrs. Ralph Wilson on Garfield avenue.

Frey-Burnett Engagement

The engagement of Miss Nancy Burnett and William Arthur Frey III is announced by the bride-elect's mother, Mrs. T. G. Burnett of Ziegler, Ill.

Miss Burnett was graduated last June from the University of Illinois where she was a member of Chi Omega sorority. She is presently employed as a research librarian in Chicago. Her fiancé will graduate from the University of Illinois where he is majoring in accounting. He is completing a term as president of Rho Chapter of Theta Chi fraternity. The wedding will take place Jan. 27 in Ziegler.

Flea Market Set Oct. 7

Plans have been completed by the Granite City Junior Service Club for the annual Flea Market to be held Oct. 7 at 8 a.m. at Bellefonte Village Shopping Center.

Posters are being distributed to many local places of business to advertise the event.

There will be many selections of women's, men's and children's clothing, as well as household items, toys, knick-knacks, etc.

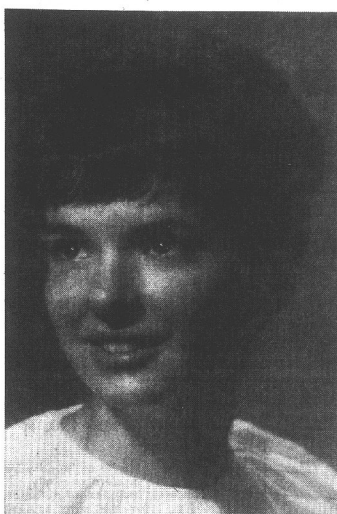

All proceeds are used for the club's many charitable projects, including dental work and eyeglasses for needy school children.

Mrs. Kibort is Club Hostess

Mrs. Wenona Kibort, 2124 Miracle avenue, entertained the Kartettes club Monday evening.

Those holding winning scores were Mrs. Dolores Brisky, Mrs. Helen Todoroff, the hostess, Mrs. Dorothy Sheppard and Mrs. Barbara Nemeth. Others attending were Mrs. Emma Jaklich, and Mrs. Frances Skubish.

The next meeting will be with Mrs. Todoroff, 3120 Coigate lane.

ENGAGED. Miss Nancy Burnett, whose betrothal to William Arthur Frey III, son of Mr. and Mrs. W. A. Frey Jr., 2401a Delmar avenue, is announced by her mother, Mrs. T. H. Burnett of Ziegler, Ill.

BETROTHAL ANNOUNCED

Miss Doris Smith, a daughter of Mr. and Mrs. Clarence Smith, 14 Garesche Homes, Madison, is engaged to Senman Albert Downs, son of Mr. and Mrs. Carl Downs of Madison, instead of Albert Daniels, as was stated in Monday's issue of the Press-Record.

Mrs. Kroteff Is Installed

☆ SOCIETY ☆

MRS. VERKA KROTEFF, whose installation yesterday as president of Metropolitan Insurance Co.'s St. Louis Region Veterans Chapter was a highlight of the annual meeting.

Mrs. Verka Kroteff, office supervisor of Metropolitan Life Insurance Co. here, yesterday was installed as president of the St. Louis chapter of the Metropolitan Veterans Association. The local woman is the first president of the clerical staff from the Illinois group to head the St. Louis regional chapter.

Fourteen representatives from the Granite City office were among more than 450 persons witnessing the installation ceremony, which was part of the chapter's annual luncheon and business meeting. The event was held at the Chase-Park Plaza Hotel in St. Louis.

The association is observing its 65th anniversary this year. Membership is limited to persons employed by the insurance firm for 25 or more years.

The Granite City district lists four active and ten life members, with Wayne Molloy slated to be inducted next month as the newest veteran in the St. Louis Region chapter and district.

Mrs. Kroteff began her career with the firm on Oct. 1, 1928, as a stenographer. During world war II, she served as an agent for two years and has been employed as office supervisor here for the past 16 years.

The new chapter executive acted as secretary, vice-president and chapter bulletin editor from 1953 to 1959 for the southern Illinois districts, now incorporated into the St. Louis region. For the past two years, Mrs. Kroteff has served as vice-president of the St. Louis Region chapter, one of the oldest and largest in the association.

She resides with her husband, Stephen Kroteff, at 2008 Benton street. The couple has one daughter, Mrs. Joy Musante of Los Gatos, Calif., and two grandchildren.

83rd Birthday Surprise Party

Mrs. Grace B. Rapp, 3521 Johnson road, a local resident for 60 years, was complimented at a surprise party earlier this week, given in observance of her 83rd birthday.

The affair was held in the home of her son and daughter-in-law, Mr. and Mrs. Howard W. Rapp of Rural Route Three, Collinsville, where friends and relatives gathered for a luncheon and social afternoon.

Among the guests were Mr. and Mrs. Robert Rains of Edwardsville, Mrs. Jule Rains of Dupu, Mrs. Mary Pitchford of Ponton Beach, Mr. and Mrs. John Mensel of Collinsville and Mrs. Lula Rapp, Mrs. Henry Krauskopf and Mrs. John Brockman, all of Granite City.

Miss Cherie Rapp, a granddaughter of the honoree, provided transportation for the guests and assisted in serving the luncheon.

Clergy-Teacher Banquet Set for Next Thursday

The annual "Clergy-Teacher" banquet, sponsored by the Quad-City Ministerial Association, will be held at 6:30 p.m. Thursday, Sept. 28, at St. John United Church of Christ, instead of Monday.

Principal speaker will be Dr. Eugene Wehrly, professor of New Testament Theology at Eden Seminary, St. Louis. The event is designed to provide new teachers in the community an opportunity to become acquainted with local ministers.

Sniffer Gets Probation

Joseph Vasquez, 17, of 2015 Washington avenue, pleaded guilty to a charge of glue sniffing Monday in magistrate's court. He was placed on a one-year probation and was assessed \$20 court costs. He was arrested during the weekend in the 1700 block of Olive street.

Jill-Nameeki Mishap

Autos driven by Kathleen Murphy, 4107 Breckenridge lane, and Willie A. Meyers, 2330 Grand avenue, collided at 7:30 p.m. Monday at Jill avenue and Nameeki road.

CHEVROLET CAPRICE COUPE—1968 model—is among new cars that went on sale today at Mathews Chevrolet Co. The "new look" begins up front with a new grille and hood that conceals windshield wipers. Recessed taillights in rear bumpers and new side lines are new styling features.

\$53,510 Sales Tax, MFT Income for GC

Added income of \$53,510 for the city was reported during Monday night's council session when notifications were read from state agencies on allocations of motor fuel tax funds and sales tax receipts.

The MFT allotment for the month amounted to \$24,389, while the June sales tax income for the city totaled \$29,141. The reports were referred to the city treasurer and comptroller.

The city also was advised by the state revenue department that the one-fourth tax on service charges by business became effective Sept. 1. The corrective ordinance was adopted in August by the council.

Know of Loneliness

War II Ex-GIs of Area Praise 'Yule Mail Call'

The parents of a young serviceman, both of whom served with the Armed Forces in world war II and know firsthand the loneliness of being apart from loved one at the holiday season, commended the Press-Record's "Yule Mail Call" and asked that their son's name be added to the growing list of Quad-City military personnel.

More than 30 names have been received by the newspaper since the project was announced last week. The pre-Christmas service, being sponsored by the Press-Record for the second year, involves publishing the names and addresses of local servicemen and women in a series of lists, starting in October.

Already submitted for inclusion in "Yule Mail Call" lists are military personnel in the combat zones of Vietnam, a Navy man stationed on Midway Island and a local soldier now serving his 14th month of duty in Korea.

It is hoped that readers will clip and retain the names and addresses, adding the GIs to their mailing lists to send Christmas greeting cards, letters or parcels.

Early publication is necessary to guarantee delivery prior to the holidays. Deadline dates for overseas and home mailing will be announced as soon as the information is available from postal authorities.

Mr. and Mrs. Dale Fletcher, 2178 Robert avenue, wrote the Press-Record—"The Yule Mail Call."

Brakes Lock, Mishap

When his brakes locked, an auto driven by Anderson Argent, 3608 Ruth avenue, swerved into the left rear of the auto of Royal E. Hurt, 2408 St. Clair avenue, which was parked at his home at 2:10 p.m. Monday.

Typewriting Course to Be Televised on Kctc

"Television Typewriting" a non-credit course in beginning typing, will be seen at 9 p.m. Tuesdays and 4:45 p.m. Thursdays, starting Oct. 3 and 5, over KETC-TV, Channel Nine. It was announced this week. The course is designed for all age-levels, but is particularly aimed at the adult with little or no typing experience, the program director said.

A typing text and kit is available for this series. Those interested in enrolling in the course, may receive additional information and materials by writing—Registrar, KETC-TV, Channel 9, 6996 Millbrook Blvd., St. Louis, Mo. 63130.

Auto Stops, Struck

Upon making a sudden stop in the 1800 block of State street, the auto of Martha Allen, 1556 ohnson road, was struck from behind by another driven by Donald H. Baker, 2200 Nameeki road, at 2:25 p.m. Monday.

'Individuality' Feature Of New Chevrolet Lines

A new peak in individuality among Chevrolet's six car lines is reached in the 1968 automotive family with distinct pacing personality in each line, according to Jack Mathews, manager of Mathews Chevrolet Co. which is placing the new models on sale today.

A total of 41 new Chevrolet, Chevelle, Camaro, Chevy II, Corvair and Corvette models, feature many new highlights, Mathews said, including:

All new advance design bodies for Chevelle, Chevy II and Corvette, with introduction of two wheelbases within the Chevelle line; longer, more luxurious regular Chevrolet, new sportiness for Camaro and continued stress on the special features offered only by Corvair; important safety improvements, exhaust emission controls, and anti-theft provisions as standard equipment on all models; improvements in ride, handling and performance including a larger base V-8 engine for the regular Chevrolet, Chevelle and Chevy II; introduction on several lines of full door windows without vent-panes, hidden windshield wipers

and dual level Astro ventilation. Heading a list of more than 400 options and accessories is a power vacuum door lock system, a lamp monitoring system to tell the driver if his front and rear lights are working, front disc brakes and added availability of stereo tape players. Safety improvements range from energy-absorbing front seat backs and safety armrests positioned to shield doorhandles, to seat belts for all passenger positions and exterior side marker lights.

The regular Chevrolet features increased length and new front, side and rear styling to reinforce the "big car" image of the industry's top selling car, offered in 18 models in four series on a 116-inch wheelbase.

A new front bumper has a central bar that splits the grille horizontally. Concealed headlamps are introduced as an option for Caprice models. Windshield wipers hidden beneath the cowl when not in use are standard on all models.

Added prestige is styled into the exclusive square roofline of the Caprice Coupe. A new model—Impala Custom Coupe—offers this roofline to Impala hardtop buyers in addition to the fastback Impala sport coupe.

Door vent windows are eliminated in the Caprice Coupe. New dual level Astro ventilation providing continuous flow of outside air through the upper levels of the passenger compartment is standard in the Caprice Coupe, option on other Caprice and Impala models. There is a different wood-like trim on Caprice Estate Wagons.

Dr. Tudor New Member Of Expansion Council

Dr. William Tudor of Southern Illinois University, Southern campus, was among new members of the St. Louis Regional Export Expansion Council receiving certificates of membership at a meeting of the council in St. Louis yesterday.

Carl Gerstaecker, chairman of the board of Dow Chemical Co., also presented a certificate to R. Hal Dean, president of the Ralston Purina Co., who was named to the council by the U. S. Secretary of Commerce.

The certificates were presented during a luncheon program in Gerstaecker's honor.

A. H. Froemling Again On Loan League Board

Albert H. Froemling, Granite City, president of the Madison County Federal Savings & Loan Association, was re-elected Tuesday to a three-year term on the board of directors of the Illinois Savings and Loan League. Froemling had served a one-year unexpired term as director.

Bernard A. Polek, Chicago, was elected president of the league during sessions of its 88th annual convention in Chicago. Chester W. Smigel, Chicago, was elected first-vice-president, and Daniel J. Nichols, Rockford, second vice-president.

Olivet Assistantship For Gary Embick

Gary Embick, a 1964 graduate of Granite City high school and son of Mr. and Mrs. Dean Embick, former Granite City, is now residing in Edwardsville, has been selected as an assistant in biology during his senior year at Olivet Nazarene College in Kankakee, Ill. He will complete his four-year course and will receive an A.B. degree in zoology at Olivet next June. He plans to go into biological research after graduation.

The duties of his assistantship include being in charge of laboratory classes and serving as an assistant to the professor in the biological department.

GARY EMBICK

son's in the biological department.

McKendree Health Center Accredited

The McKendree College Health Center has been inspected and accredited by the Mid-American College Health Association, according to Miss Dorothy Moss, director of the Health Center.

Miss Moss' credentials were also inspected and approved. Miss Moss, a native of Pinckneyville, is a registered nurse.

The Health Center is equipped to handle student needs and can house up to four in-patients.

Four Lebanon, Illinois doctors are available to treat students should they need a physician's care. They are Drs. Emerson Carpenter, Delbert Harris, Harold Harsin and James Needles.

Miss Austin Enrolls At Blackburn College

Miss Bonnie Lou Austin, daughter of Mr. and Mrs. Denver Austin, 3189 Jill avenue, is among 175 new students registered this fall at Blackburn College, Carlinville.

She also began work under the student work-study program where each student works 15 hours a week at on-campus jobs in partial payment of his education. Miss Austin is a 1967 graduate of Granite City high school.

WILSON PARK ESTATES
a "Lifetime Location"

Miss Sabin is Named SIU President Scholar

Miss Susan Sabin, a daughter of Mr. and Mrs. Lewis E. Sabin, 12 Mercer drive, a sophomore at Southern Illinois University, Carbondale, is one of a group of 283 students, freshmen and sophomores, representing two and one-half per cent of the combined classes who have been designated "President's Scholars" for the fall quarter, according to an announcement by James Benziger, professor

of English and director of the program.

The President's Scholars program replaces the former "Plan A" honor studies for undergraduates and is designed to identify, encourage and reward talented scholars.

Among options to be offered President's scholars will be early registration, some small reserved classes, honors work, a freer selection of courses and continuing opportunities to meet with outstanding teachers and visiting lecturers.

David Lynch Joins Missouri U. Band

David Lynch, 2613 Lynch avenue, a freshman at the University of Missouri at Rolla, will play trombone in the college marching and concert band during the 1967-68 school year.

The 90-piece band performs at athletic events, parades and concerts. The local student is majoring in electrical engineering.

10,944 Enrolled at ISU, Increase of 1245

Illinois State University's enrollment, at the start of fall semester classes Friday, totaled a record high 10,944 with about 100 additional students expected during late registration next week.

The preliminary enrollment total is 12,876, or 1245 over last year's final tally of 9600. At the start of classes a year ago, enrollment stood at 9630.

ISU, which is projecting between 20,000 and 28,000 by 1975, had an enrollment of about 3500 a decade ago. At that time, the estimate for 1967 was set at 6067.

A breakdown on student enrollments by class, with last year's total in parentheses: freshman, 3085 (3071); sophomores, 2586 (2346); juniors, 1983 (1888); seniors, 1850 (1481); unclassified, 303 (187); master's 1053 (927), and specialist and doctoral students, 82 (50). As of Friday, there were also 22 students who as of this time had not been designated insofar as class was concerned.

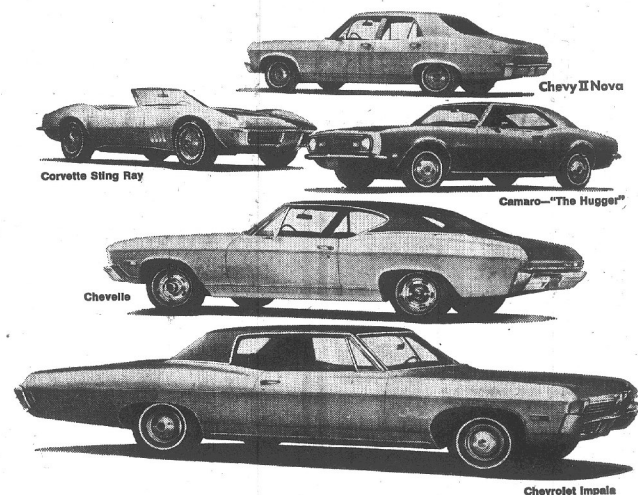

In addition to the 10,944 students on campus, Illinois State this fall has approximately 1550 staff members—some 650 on the faculty and 700 Civil Service staffers. The university has added about 210 new faculty, although just under a hundred are new positions while the others are replacements.

Help Solve 3 Biggest FALSE TEETH Worries and Problems

A little PASTETTE applied on new or old dentures will: (1) Make false teeth more firmly in place; (2) Make them more comfortable; (3) Let you bite up to 30% harder without discomfort. PASTETTE is a powder alkaline (non-acid). Won't hurt. No gum, no sticky taste. Dentures that fit are essential to long front seat backs, your safety regularly. Get PASTETTE at all drug counters.

Dramatic! Distinctive! Daringly new!

'68s Top Secrets are here

1968 Chevrolets

The 1968 Chevrolets are the very essence of modern design. Every line, every curve is in close harmony. It's a smooth, uncluttered look with roof grilles and bumpers that blend gracefully into rounded fenders. Clean, flowing, beautiful in their simplicity, these '68 Chevrolets are rich and advanced in styling beyond any you've ever seen.

A MORE SILENT RIDE
And for 1968, we've gone to every length to give you more peace and quiet inside. The most sophisticated computers have been used to strategically place body mounts and successfully isolate noise and vibration. Shock absorbers have been improved. The wheel stance on many models is wider for greater smoothness. Exhaust systems have been redesigned to make them whisper-quiet. Even the clocks tick more softly. A sound car is a silent car. The '68 Chevrolets are the most silent, highest quality cars we've ever built.

BETTER PERFORMANCE
There are new engines, a bigger standard six and V8. There's a new

250-hp V8 you can order that runs on regular fuel. Many new engine components increase dependability and keep your new Chevrolet running stronger. There's a new rear axle ratio you can add for greater economy. On most engines equipped with automatic transmissions, there's a special heater for the carburetor which gives you more efficient performance in cold weather. And with every engine, you get the new GM exhaust emission control.

UNIQUE ASTRO VENTILATION
There's a whole new idea in ventilation, called Astro Ventilation, for Camaro, Corvette and the elegant Caprice Coupe. It's also available on many other models. By opening two new vent-ports on the instrument panel, you bring in outside air that can be directed where you want it. This way, you can leave your windows rolled up and add still more to your peace and quiet.

PROVED SAFETY FEATURES
You get the proved GM-developed energy absorbing steering column, folding front seat back latches, dual

master cylinder brake system with warning light, plus many more new features. Among them: energy absorbing front seat backs, and safety armrests that shield the door handles.

MUCH MORE THAT'S NEW
There are new roof lines, some formal and graceful, others sporty and quick. There are new instrument panels, richly designed and all controls within easy reach. There are new interiors, new vinyls, new fabrics, new colors. There are models with Hide-A-Way windshield wipers and headlights that disappear behind grilles. There are new side marker lamps, new recessed taillights. There's even a new ignition alarm buzzer that reminds you not to walk away and leave your keys in the car. These are the newest, the most different, the most dramatically changed Chevrolets ever. And they're at your Chevrolet dealer's now. You'll thoroughly enjoy slipping behind the wheel, experiencing the smooth new handling and library-quiet ride and, more than anything, seeing and feeling the ever-new quality built into every new Chevrolet for 1968.

Be smart! Be sure! Buy now at your Chevrolet dealer's.

There's more quality and value built into Chevrolets than ever before, making every new 1968 model an even better buy!

UPW CIRCLE THREE STARTS NEW SEASON

Circle Three of the United Presbyterian Women of First Presbyterian Church held the opening meeting of the season Tuesday afternoon at the church with 14 present, including a new member, Mrs. Virginia Rickert. Hostesses were Mrs. Louis Meek and Mrs. Carl Conary. Mrs. George Malott, leader, was in charge and Mrs. Arthur Crabtree had the Bible study. Mrs. Otis Malmberg led the Fellowship of the Least Coin service.

MRS. PAPE HOSTESS FOR CIRCLE FOUR

Mrs. Alfred Pape was hostess to Circle Four of the United Presbyterian Women of First Presbyterian Church Tuesday evening at her home, 2608 Edison avenue.

The new officers for 1968 elected were Mrs. Pape, chairman; Mrs. Leila Mae Runk, secretary; Mrs. Bess Henley, fellowships; Mrs. Vernon Sharp, World Service; and Mrs. Glenn Rice, program.

Nine members and two guests attended the meeting. The latter were Mrs. David B. Maxton and Mrs. David John.

Mrs. Alvin Meyer conducted the business discussion, and the meditation of The Least Coin was conducted by Mrs. Charles Landis. Mrs. Frank Milster led the Bible study and the hostess

Talk on Modeling Given to Group

The Granite City Steel Women's Association held the first fall meeting Tuesday evening in the company dining room.

Mrs. Helene Blachoff presided and presented the officers and board members for the year. Miss Kay Otting, representing a St. Louis modeling studio, discussed modeling techniques, makeup, new fashions, colors and hair styles. She was accompanied by a high fashion model.

The committee in charge of arrangements included Evelyn Clinton, chairman, Louise Lakin and Sarah Emmrich.

presented the Year Book of Prayer.

MITCHELL PTA HOLDS EXECUTIVE MEETING

An executive board meeting of the Mitchell school PTA was held Monday evening at the school.

Mrs. Jane Raphael, president, was in charge and the program chairman, Alfred Fuller, and various committees presented plans for the coming season. The first regular meeting of the PTA will be held Oct. 12 at the school.

Dr. True to Speak Before Shrine Laymen

Dr. Herb True, noted research psychologist, business adviser and humorist, will be the guest speaker at the eighth annual banquet of the Laymen's foundation of the Shrine of Our Lady of the Snows to be held Oct. 3 at Fischer's restaurant, Belleville. A social hour beginning at 6:15 p.m. will precede the dinner to be served at 7:15 p.m.

Dr. True, who holds degrees from Oklahoma and Northwestern Universities and his doctorate in philosophy from the University of Iowa, will answer the question: "Are Men More Creative Than Women And Why Not?"

Before forming his own company, the True-Klemp Organization, Dr. True was a professor of marketing for six years at Notre Dame University. At present he is also associated with Management Center of Cambridge, Mass., which, together with his work for his own firm, accounts for the fact that he can be found lecturing before business and management groups several times each week.

Lt. Comdr. D. D. Sheppard 1968 Pontiac Now on Display at Hundley's Receives Silver Star

The nation's third highest combat achievement award, the Silver Star, was presented in Binh Thuy, Vietnam, to Lieutenant Commander Donald D. Sheppard, son of Mrs. Winnifred C. Sheppard, 2226 Grand avenue, during a recent ceremony.

Capt. Paul N. Gray, who commands the U. S. Navy's River Patrol Force under the code name "Operation Game Warden," made the presentation at his headquarters in Binh Thuy. He remarked that the medal is a rare honor and one which few Naval officers receive.

Lt. Comdr. Sheppard commands a task unit of river patrol boats, supporting helicopter gunships nicknamed "Sea-wolves." His job is to hunt down enemy gunrunners who use the Bassac River for troop movements and resupply.

Frequent enemy contact keeps patrol boat crews on their toes. Lt. Comdr. Sheppard's Silver Star award citation reads:

"For conspicuous gallantry and intrepidity in action on the afternoon of April 8, 1967, while serving with Commander River Squadron Five, engaged in armed conflict with enemy forces in Vietnam. While leading a combat patrol of two River Patrol Boats, Lt. Comdr. Sheppard aggressively pursued an evading enemy sampans into a large canal which passed through Cu Lao Dung Island.

"Upon entering the canal, he discovered a large cargo junk with enemy troops aboard. At-

being received by Lt. Commander Donald D. Sheppard, son of Mrs. Winnifred C. Sheppard, 2226 Grand avenue.

tacking immediately, his patrol killed 10 of the enemy and blew apart the junk with secondary explosions. Enemy reaction was swift. The patrol was immediately subjected to intense hostile fire.

Blocked from the canal mouth and without air cover, Lieutenant Commander Sheppard made a decision to retire northward, for eight miles up a canal through enemy held territory. During this trip, although fired upon at nine separate locations, his patrol destroyed five large junks, damaged 10 more and killed at least seven of the enemy. He penetrated an enemy sanctuary for the first time and collected important intelligence.

"Lt. Comdr. Sheppard's bold decision was the determining factor in preventing casualties to his own men. His courage, inspiring leadership and devotion to duty were in keeping with the highest traditions of the United States Naval Service."

The lieutenant commander is the husband of the former Miss Donna B. Lockwood with whom he resides in Coronado, Calif. A graduate of U. S. Naval Postgraduate School, Monterey, Calif., he entered the service in 1948.

Conduct Charge Filed

Charles Thomas Howland, 24, of 1865 Edwardsville road, was arrested at 9:15 p.m. Monday on a charge of disorderly conduct in the 2100 block of Benton street. He was released on \$25 cash bail pending a hearing.

Auto Fender Struck

MORRIS REALTY CO.
TR 6-4400

A new styling theme dominated by a bold front end design, engineering advancements which include another first in the industry and unexcelled safety are the characteristics of Pontiac motor division's 1968 models.

All Catalina, Executive, Bonneville and Grand Prix models carry a distinctive Pontiac-oriented styling theme highlighted by a new wide peripheral front bumper with a strong and handsome center section. Built-in safety features of every 1968 Pontiac include new side marker lamps, additional interior padding and crushable armrests.

The 1968 Pontiacs go on sale today at Hundley Pontiac Co., 1801 Madison avenue.

17 Models Available
A total of 17 models in four series is available in 1968.

The volume-selling Catalina series offers a two-door sedan, four-door sedan, hardtop coupe, four-door hardtop, convertible, two-seat station wagon and three-seat station wagon.

Executive models include a four-door sedan, four-door hardtop, hardtop coupe, two-seat station wagon and three-seat station wagon.

Bonneville luxury is available in a hardtop coupe, four-door hardtop, convertible and three-seat station wagon.

A new hardtop coupe represents the Grand Prix series. The popular Ventura custom trim option is offered on most Catalina models and the luxurious Brougham option is now available on Bonneville four-door hardtops, hardtop coupes and convertibles.

PONTIAC ELEGANCE, from the new peripheral front bumper to the distinctive vee crest rear side marker, the 1968 Pontiac Executive series represents the epitome of styling as shown by the four-door hardtop here. New 1968 models went on display today at Hundley Pontiac, 1801 Madison avenue.

Safety Features

The instrument panel has additional thick foam padding which blends into the windshield pillars. This padding forms a large area of protection for front seat occupants. Full

width padding has also been added to the center of the panel. Other important standard interior safety features include a recessed ignition key and a newly designed cigarette lighter which will break away at a 90-degree angle.

street; Nyle W. Wright, 2410 Adams street; and Larry E. Connor, 3022 Circle drive.

Edwardsville Educator Named to Alumni Board

A. Gordon Dodds, superintendent of Edwardsville Community Unit School District 7, has been named to the board of directors of Southern Illinois University Alumni Association. He will complete the unexpired term of Dr. Jack Barrow, a St. Louis physician, who recently resigned due to professional commitments.

"Dodds, a 1938 SIU graduate, holds a master's degree from the University of Illinois and received a specialist certificate this summer from the SIU-SW campus. He has been active in both the Franklin and Madison county SIU Alumni clubs and is a past president of the Southwestern Illinois Superintendent's Forum.

Pontiac announces the great American sport for '68

Le Mans Hardtop Coupe

Wide-Tracking has never been farther removed from just plain ordinary driving. One look at our stylish '68 Pontiacs should tell you that. One ride will convince you!

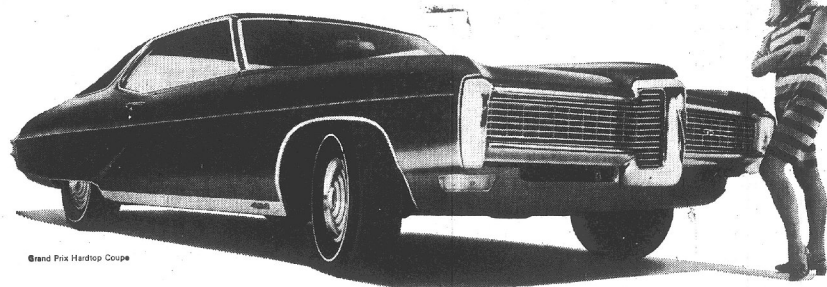

Our sporty new Tempests and Le Mans are now from the wheels up. There's a new 175-hp Overhead Cam Six. New sports car feel. Smoother ride. Superior stability and response. Disappearing windshield wipers on all GTOs and Le Mans. Even wider Wide-Track. And you can choose from two new regular- or premium-gas 350 cu. in. V-8s!

Our fabulous GTO boasts the newest engineering innovation of the year—an exclusive revolutionary new bumper. It's the same lustrous color as the car. But it won't chip, fade

or corrode. And you won't believe what this bumper does until you see it with your own eyes!

Naturally, our new Bonneville, Grand Prix, Catalinas, Executives and Venturas won't take a back seat to anyone! Especially with their bold new integral bumper-grilles that are nearly twice as strong as before. There's also new Wide-Track ride. Improved handling. Smoother engines. And more new features for your protection, like a buzzer that warns you when you forget your ignition key.

Isn't it about time you decided to give up plain ordinary driving? Don't fritter away another hour. See your Pontiac dealer today and start Wide-Tracking!

U. S. SHOULD CURTAIL IMPORTING OF STEEL

To the Editor:

For some time now I have read about the imports of steel to the United States.

It is estimated that there were eleven million tons of steel imported into the U. S. in 1966 with a stated value of \$1.2 billion. Such a quantity of steel provides employment for 70,000 to 80,000 people.

European and Japanese steel mills will intensify their efforts to dispose of increasing quantities of steel in the United States unless our government changes its attitude and enforces the same kind of concern about the welfare of the steel industry that it has shown universal in other countries.

In as large a steel center as the Tri-Cities area, everyone concerned, the Chamber of Commerce, mayors and city councils, Tri-City Central Trades Council, AFL-CIO, should write letters to our congressmen and senators and also to the governor of Illinois objecting to imports of steel and out a proper tariff being applied.

Let's write and make the Tri-Cities area 100 per cent self-sufficient in local steel industries, which have done so much for our area.

AL WARD JR.
2408 Hodges avenue

Education No Longer a 'Luxury'

(President's Council on Youth Opportunity)

"We have entered an age in which education is no longer a luxury permitting some men an advantage over others. It has become a necessity without which a person is defenseless in this complex, industrialized society. We have truly entered the century of the educated man."

Then Vice-President, Lyndon Johnson said those words in a commencement address in 1963. Their truth is becoming clearer every day.

Many young Americans are challenging the challenge of becoming better educated. Last year, 19% of young people between the ages of 16-24 were in high school dropouts as compared with 25% in 1960.

But this reduction is not enough. The frightening fact remains that too many school leavers still consider education a luxury.

At the current dropout rate, by 1975 there will be 32 million adults in the labor force without a high school education—32 million people who will be unqualified for most of tomorrow's jobs. To stave off this tide of unskilled workers in the future, President Johnson has directed the President's Council on Youth Opportunity to launch the 1967 year-in-school campaign. Every citizen, young and old, parent and teenager, is being asked to contribute their drive to assure that all who will have a chance for a decent education stay in school.

Controversial Comment

Hippies Compared With Mistletoe

(Ramona, Calif., Sentinel)

There is a large poplar tree in the front yard, in whose up per branches are great clusters of mistletoe.

Mistletoe, of course, is a parasitic plant which feeds upon the poplar and other trees.

It has no root system or vital connection with the tree. Instead, it depends upon the tree, whose life forces it robs.

Perhaps to pose a rather ludicrous analogy, the bizarre and strangely-clad group of malcontents, the hippie-beggars, are like the mistletoe.

This assemblage of protesters should be declared to be a parasitic or true social movement, as it claims. Why? Because the so-called movement is not self-supporting.

It does not exist as a working, integral part of the American social structure, nor can it be said to exist concurrently with this structure. It simply feeds upon it.

For example, one could say with conviction that the conservative movement is a true social movement. The adherents are gainfully employed, pay taxes, nominate candidates, finance educational programs and in general conduct their civic and pay their own way.

By contrast, the hippie-beat, niks do not. The aggregate lives and activities of these public bugs do not constitute a real social movement.

CITY SHOULD HALT EAST GRANITE AIR POLLUTION

To the Editor:

Granite City doesn't need an air monitoring device to find out if our air is being polluted. All the Granite City Council has to do is come out here to East Granite to see and smell the stinking, paint-eating gases coming from an industrial plant.

The council stopped one company in this area from burning box cars when the wind was blowing our way. Why don't they do something about the gases?

JIM M. WILLIAMS,
2818 East 25th street.

PRESS-RECORD DEPOT EDITOR 'OUTSTANDING'

To the Editor:

I wish to commend you for outstanding accomplishment in connection with the twelve-page tabloid publishing the Granite City Army Depot 25th anniversary.

Your diligent efforts contributed greatly to the success of this important and memorable event. Your demonstrated professional skill and your sincere desire to serve the public really great credit upon yourself and the Press-Record.

The entire Depot family joins me in thanking you for your unselfish and dedicated efforts in the future.

Public Hearings May Be Best Way To Resolve City Air Pollution Issue

Despite a flurry of activity in recent days that may have confused the issue, the air pollution control question facing the Granite City council is clear. Will it retain unenforced and unenforceable regulations which it adopted in good faith July 3 when it heard the regulations inaccurately described? Public hearings are now possible the simplest way to separate fiction from fact and resolve the controversy.

Ordinance 2476 is unenforced because it is similar to discredited "interstate" standards rejected 12-1 by the East-West Gateway Coordinating Council last January. It goes beyond the "interstate" report by adopting some of its future goals as immediate requirements.

The ordinance is unenforceable because it differs widely from the Illinois Air Pollution Control Board regulations adopted in March 1965 and amended in March 1967, and the state's authority exceeds that of the city. Granite City has not qualified for exemption necessary for local enforcement, nor could it take actions inconsistent with the state clean air law.

The "false pretenses" under which the ordinance was enacted are a matter of public record. In April the Granite City Air Pollution Control Board voted to recommend Illinois standards to the city council. In July the nine board members, Henry Bielecki, Theodore Macios, Burton Bernard, visited a council meeting, brought a document differing from that authorized by the full board, and persuaded an alderman and the city attorney to describe what was submitted as complying with and compatible to the state regulations. The approving council vote was 3-1. The president was Alderman Sam Whitmer, an air board member. The five board members not present were Mrs. M. J. Freedman, William Krause, Gilbert W. Dr. George T. Wilkins Jr. and Sidney Womack.

When the apparent deception was discovered by aldermen, diversionary tactics began, including an attack on the adequacy of state standards. Despite the fact that the ordinance was actually upgraded, the city council and industries were assailed. And "air pollutionists" were attacked for questioning a new provision under which firms, with specific city board approval, are to install equipment offering "the highest level of particulate emission control possible at the time."

The last paragraph illustrates one of the serious flaws in Ordinance 2476. The "highest possible at the time" concept disregards both the initial cost of pollution control equipment and the cost of frequent replacement. And where millions of dollars in expenditures are involved, a law should be specific rather than vague; the enforcing body should not have the authority to act on the basis of opinion or whim.

In view of the progress already made by the state, and in view of the extensive hearings already conducted by the East-West Gateway Coordinating Council, it may be best if the city council without further delay repeals its July action, adopts the state rules and qualifies as quickly as possible for local enforcement. If the state standards then prove ineffective, the requirements could

accepting other employment—jumped from 29 in '64 to 37 in '65 and to 90 in '66. In July 1966 alone there were 37 such resignations.

A breakdown in police tenure and recruitment would produce dire consequences for our society.

As the false image of policemen as the defenders of law and order gains a greater and greater hold on the public's imagination, we tend to forget that the police are not the same men to protect us from the criminal element in our society.

Nothing less than a highly trained and soundly motivated body of men, replenished by effective recruitment and wholeheartedly devoted itself to public service, will protect the American people from violence and crime.

Change of Attitude Needed We are to arrest the obvious deterioration of police morale, a dramatic change in public attitude is called for.

Our citizens must come to a more realistic appreciation of the awareness of a policeman's responsibility. Reasonable allowance must be made for inevitable errors of judgment in the performance of his duties.

When the public appraises the

be strengthened here in cooperation with the state and federal governments and public welfare and economic and technological factors.

Certainly the current impasse, involving a future legal ruling on whether sufficient repeal votes have been cast, should not be allowed to continue for long.

If public hearings seem necessary to break the logjam, experts on both sides of the issue should be permitted to present their views, with the full council and full city board present to hear the discussion. However, care should be taken to avoid an undisciplined exchange that adds heat but no light to an already emotional subject—the air we breathe.

Renewal Plan Offers Improved Housing, Parking, Economic Growth, Employment

The imaginative \$1,811,424 renewal program submitted by the city of Granite City to the U. S. Department of Housing and Urban Development deserves the full local support it has received and is worthy of prompt and favorable action by the federal government. It offers better housing, job opportunities and sounder economic growth.

Covering an arrow-shaped area extending roughly from 19th street and the State street-Grand avenue north to 22nd street and Washington avenue, the proposal calls for creation of parking facilities and also permits use of cleared areas for commercial business construction.

It could revitalize the central business district and would fit in well with the scheduled expansion of St. Elizabeth Hospital, which is to pay part of the cost.

Residents of the designated area would benefit through elimination of overcrowding, substandard and obsolete residential buildings and congested streets. And there is no arbitrary relocation plan, such as to a housing project in some area; residents will be able to move to homes or apartments elsewhere offering significant environmental improvements.

As the detailed report by the city explains, many small and relatively unusable parcels of property are to be re-assembled into large tracts for appropriate commercial and institutional purposes. This effective approach aided by \$1,166,798 in federal funds and the coordinated planning made possible by the urban renewal process, can bring new life and progress to Granite City, the Quad-Cities and surrounding sections of the metropolitan area.

Maxvill Among the Most Valuable On Pennant-Winning Baseball Team

It was fitting that Maxvill starred in the pennant-clinching game of the St. Louis Cardinals Monday night, just as he did when the same team captured the National League title on the final day of the 1964 season. These years ago he collected two hits in the winning game as the second base substitute for injured Julian Javier.

Getting two hits and scoring a run while fielding errorlessly in this week's 3-1 win at Philadelphia, the slender shortstop from Granite City started a four-run sixth inning after the Cardinals had been held hitless until that point.

Although batting in more than 40 runs this season, Maxvill has been one of many better known major leaguers, and bringing home the key run in more than his share of games, Maxvill contributed more to the 1967 championship by providing solid, "up the middle" defensive strength along with Javier at second base and Curt Flood in center field.

He reduced his error frequency sharply in the second half of the campaign, and throughout the year, ranged so widely and swiftly in defending his position that few shortstops in the history of the sport could have duplicated his ability at snaring grounders and line drives.

The victory party Monday night was a truly happy party for all the players and especially for Maxvill, whose physical attributes have been unfairly downgraded him in the eyes of some baseball authorities unaware of his stout heart, concentration and desire to excel.

His Quad-City fans may find it hard to believe that Maxvill, a native of Granite City, 1967 World Series nothing more, than he achieved in the 1964 Series—timely hitting, perfect fielding in every game and four victories by the Cardinals over the American League representative.

conduct of any other public employee or of any member of another profession, due allowance is made for the frailties of human nature.

All too often, in the case of a policeman, we make no allowance for the normal human traits of impatience and anger. We forget or ignore the frustrations that confront him in his job every day.

Trying Workday Described We would never forget, in our desire to put a policeman in a position that he may have spent an eight-hour day confronting dangers, thieves and thugs.

He may have suffered painful blows. He may have been attacked by knife or gun.

A near psychotic may have spit in his face. At all times, nevertheless, he is expected to suppress any expressions or resentment or frustration.

We expect him to show the composure of the surgeon, the patient understanding of the clergyman, and the learning of an appellate judge.

And if he fails, he and his office may be condemned or scorned in a manner never inflicted on any other public servant.

All this is not to suggest that the policeman is ever the police dog, or that we

should never hold the police accountable for mistakes. No responsible police officer asks for or expects any such special privilege.

We must evaluate a police officer's conduct in any given situation within the context of all the facts and circumstances confronting him at the time of his decision-making.

Not only is the individual police officer frequently second-hand to the public, but he is also the public or the press, but it has become highly fashionable lately for judges to formulate police policies and prescribe police procedures.

A number of recent decisions severely limit the effectiveness of police officers in dealing with suspected criminals.

Even cases of physical assaults on officers—for example, the instance of the assault on Officer Perry, with which we are all familiar, has always been years to have been resolved in court with unusual leniency.

For example, if the prosecutor seeks to use as evidence a confession that the police obtained by force, threats or promises, the evidence should be rejected by the court. Under such circumstances, the innocent person might make a false confession.

Business Entertainment Deductions

(This column of questions and answers on federal tax matters is provided by the local office of the U. S. Internal Revenue Service and is published as a public service to taxpayers. The column answers questions most frequently asked by taxpayers.)

Q—I just joined a country club and expect to do quite a bit of business entertaining. Will I be able to deduct my initiation fees and yearly dues as a business expense? A—If you use the club more than 50% of the time for business purposes then you can deduct that portion of your annual dues which is directly related to the active conduct of your business. Membership or initiation fees that are paid once for membership privileges which may extend beyond the year of acquisition are a capital expense and not deductible.

To show that you use the club more than half the time for business purposes, keep record of the days you and your family use the club's facilities.

Even if you don't use the club more than half the time for business purposes, you will still be able to deduct the expense of your business lunches at the club. A business lunch at a restaurant will be treated just as a business lunch at any restaurant would be.

Identify Installments Q—I don't get a notice that the next installment of my estimated tax was due. Should I still go ahead and pay this installment? And if so, how should I identify the payment to get credit for it?

A—To make sure the installment of your estimated tax when due even though you did not receive your notice, to make sure the payment is credited, put your Social Security number on your check or money order and attach the notation that this is an estimated tax payment.

Q—My company wants me to

take over for someone who is ill in one of our branch plants. It's too far for me to commute so I will have to rent an apartment. Are my living expenses while I'm away on this assignment deductible? A—If you work at this job for a short period, then your living expenses while away from home may be deductible.

However, if the end of the job can't be fixed within a reasonably short period of time or is for an indefinite period, then the job location becomes your home for tax purposes and living expenses will not be deductible.

Details on this provision of the law are explained in IRS publication No. 463, "Travel, Entertainment and Gift Expenses." Send a postcard to your district director for a free copy.

Self-Employment Tax Q—The waitress in my restaurant report their tips on a monthly basis. Can I withhold for business purposes, keep rather than taking it out of their paychecks just once a month? A—If you withhold the tips on the weekly basis as long as the proper amount is withheld each month.

I've cut down on the number of pupils I give voice lessons to since I became 65. I can self-employment tax on that income, can I now earn up to \$1200 before I have to pay it? Q—What's the story on my federal income tax.

A—The requirement for self-employment tax applies regardless of age. When net income from self-employment is \$400 or more for the year, the tax must be paid.

Note that the \$400 figure is a net figure. Your gross income from self-employment should be reduced by whatever expenses you had in earning this income.

In your case, the cost of sheet music, piano tuning and the like could be deducted from your gross income.

Retirement, Stock Split Discussed By THOMAS E. O'HARA Chairman, National Association of Investment Clubs

Q—I have \$25,000 in mutual funds which will mature at various times in the next seven years. In addition I have \$5,000 in savings-and-loan and bank savings deposits. Would it be wise for me to draw out \$1000 every six months for the next six years to augment my \$250-a-month retirement income until I reach 62 and become eligible for social security?

A. It seems to me that you could quite safely use \$1000 of your savings every six months for current living expenses.

This is not much more than the interest you are now receiving. The cost of many better investments is more than the interest you are now receiving. Furthermore, when your accumulation plans mature, they will only replace the \$12,000 you will have drawn out in the intervening years, but will also provide you with dividend income at that time.

Q. I bought 30 shares of Gulf

shares building. The terms for the different courses of instruction are reasonable. Classes will be held at Mrs. Calvin Root, 2219 E. 2nd street. The hostess was assisted by Mrs. M. Piper.

Other officers for the year are Mrs. Arthur Crabtree, vice; Mrs. Gery Bae, secretary; and Mrs. Koonce, treasurer.

At the meeting, plans were made to assist the local Red Cross chapter with sewing and other activities for the winter months. Eleven members and one guest, Mrs. Hazelwood, attend. Refreshments were served after the adjournment.

50 YEARS AGO

SEPTEMBER 21, 1917

Granite City evening schools will open next Monday evening. The courses of study embrace the various branches of the high school, that are essential to success in life.

Since the opening of the school year, well advertised throughout the Tri-Cities, it is expected that a large number of pupils will enroll for the season.

Those who desire taking up study in the next morning may complete information and enroll by calling at the office of W. H. Rowlands, 26 Niedringhaus building.

One of the largest assemblies ever seen in this vicinity occurred Tuesday evening and early the next morning when 180 selected boys from this district department for Camp Taylor in Kentucky.

25 YEARS AGO

SEPTEMBER 21, 1942

Mr. and Mrs. W. J. Schulz, 2122 Delmar avenue, entertained over the weekend the latter's nephew, Cpl. Joseph W. Melford Jr., of Fort Knox, Ky. The visitor is the son of the late Mrs. Helen Henderson, who made her home here with her sister before her marriage and attended the Granite City schools.

The newly-elected president of the Mothercraft circle of Niedringhaus Memorial Church, Mrs. Ralph Miller, was in charge at the first fall meeting of the group held in the home of Mrs. Calvin Root, 2219 E. 2nd street. The hostess was assisted by Mrs. M. Piper.

Other officers for the year are Mrs. Arthur Crabtree, vice; Mrs. Gery Bae, secretary; and Mrs. Koonce, treasurer.

Town Board Approves \$4939 in August Bills

Meeting as the town board prior to their regular session Monday night, the city council members approved township bills of \$4939 in the town fund and \$412 in the general assistance fund.

Virtually all of the town fund payments were in salaries, including \$187 to Nelson Hagauer, supervisor, and \$20 to James Barron, assessor. Other salaries amounted to \$915.

In the general assistance fund, salary payments totaling \$820 were approved. Rental payments totaling \$255 also were authorized. Payments for medical services amounted to \$147. Other medical payments included \$488 for hospitalization, \$33 for ambulance service and \$208 for prescriptions. Bills for food orders from seven markets were approved. They totaled \$1331.

SIU to Open Bids On TV Station

Bids for construction of Southern Illinois University's television transmitting station near Olney will be opened at Olney Thursday, Sept. 21.

The station, to operate on UHF channel 16, will serve largely as a satellite relay for SIU's campus station in Carbondale, Watu-TV (Ch. 8). Its main purpose will be to relay educational TV programs to classrooms and homes now on the fringe or outside of SIU's coverage area.

Federal and state matching funds totaling approximately \$80,000 have been awarded SIU for the Olney station. Its call letters will be Wusi-TV. The transmitter building and 100-foot tower will be located about eight miles northwest of Olney, in Preston Township. The tower will be assembled and erected under a separate contract with the General Electric Company.

Bids will be opened at 2 p.m. in the Olney office of the East Richland Community Unit School District.

WILSON PARK ESTATES a "Lifetime Location"

Proclamation

WHEREAS, The Drusilla Andrews Chapter Daughters of American Revolution has chosen this week as Constitution Week, and

WHEREAS, This affords us an opportunity to restudy this, the greatest of all public documents, the Constitution of the United States, and to review the circumstances under which it was born, and

WHEREAS, This American ideal is embodied in our Nation's integrity and honor, and WHEREAS, It is part and parcel of our Bill of Rights and the Constitutional concepts which recognize that all men are free and equally endowed by their Creator with the unalienable rights to life, liberty, and the pursuit of happiness, and

WHEREAS, This American ideal embodies the sum total of the wisdom, the religious faith, the courage, and the sacrifice of our Founding Fathers.

NOW THEREFORE, We, the Mayors of the Quad-Cities, do hereby proclaim this week as Constitution Week.

Michael Mathon, USN, In Combat Zone

Michael E. Mathon, USN, son of Mr. and Mrs. Edward M. Mathon of 123 Troecker lane, is in the Gulf of Tonkin off the coast of North Vietnam as a crewmember aboard the attack aircraft carrier USS Coral Sea. This is the third cruise to the combat zone for the 973-foot carrier since 1965 when planes from its flight deck flew the first air strikes against North Vietnam. During the "Flat-top's" last cruise to Southeast Asia, it spent 100 days "on the line" in the Gulf of Tonkin and launched more than 8000 combat and support sorties over North and South Vietnam. Before arriving at its combat station, the Coral Sea made port calls in Hawaii, Japan, and the Philippines.

What can you get 19,000 copies of for \$1.00?

Answer:

A 14-word Press-Record Want Ad

FIVE DIFFERENT BODY STYLES, including the Luxury sedan (above), distinguishes the 1968 Oldsmobile 98's. New grilles, side moldings and revised quarter panels and decklid trim are among the styling changes in Oldsmobile's "top-of-the-line" series. The 1968 Oldsmobiles went on display today at Woodrome Olds, 1905 Madison avenue.

Oldsmobiles for 1968 Go On Display Today

A new power train concept for all 1968 model Oldsmobiles will give the owner additional benefits in mid-range performance, fuel economy, quietness of operation and durability. It was announced this week by Oldsmobile General Manager Harold N. Metzel. The new Oldsmobile line went on display today at Woodrome Olds, 1905 Madison avenue.

In addition, Metzel revealed a performance option and substantial styling improvements in the front-wheel drive Toronado, the development of a brilliant new front end look for the 88's and 98's and a completely changed appearance for the F-85, Cutlass, Cutlass Supreme, 442 and Vista Cruiser.

William Woodrome sr., owner of the local agency, pointed out that two-door models in the Cutlass series, identified as "Coups," include coupes, pillar, hardtop and convertibles, and are expected to augment Oldsmobile's recent gains in the youth market.

"The Cutlass 'S' coupe," Woodrome continued, "is youthfully-styled, agile in performance and may be customized with the use of any one of 12 engine-transmission combinations. Deluxe interior trim and special exterior ornamentation are standard, he said, while dual exhausts, a wood grained steering wheel and rally-type handling components are among the new car's options.

"Important changes have also been designed into the 1968 Vista Cruiser," Woodrome explained, "resulting in its be-

coming one of the most spacious station wagons in the industry. Optional in the Vista Cruiser model for the first time is Oldsmobile's 400 cubic inch engine.

Oldsmobile's Delmont and Delta 88's, the Delta Custom, the 98's and the Toronado have undergone substantial restyling, front and rear, including new grilles, new side moldings and revised rear-end treatment, the agency owner said. "The Toronado, in particular, has taken on a more sophisticated personalized car look, with more graceful lines," he added.

"All new Oldsmobile engines meet the requirements of the 1968 federal emission law through use of the Oldsmobile-pioneered combustion control system, and a number of important safety-related product improvements have been incorporated as standard equipment on the 1968 models," Woodrome pointed out.

Among the new features are seat belts with push button buckles at all passenger positions and a convoluted fuel tank filler neck which will bend and collapse to prevent fuel leaks due to rupture of the neck in case of rear-end collision.

Side marker lights, recessed door-release handles, low pro-

Name in Error

Would Cut Mailings In Land Sale Frauds

Support of federal legislation which would aid in halting use of the mails in the fraudulent sale of land was expressed recently in Congressional testimony by the National Association of Real Estate Boards. Ralph Morris, president of the Granite City Board of Realtors, said today.

The bill would authorize the Post Office Department to stop the use of the mails upon evidence of misrepresentation of facts in advertising the sale of land or any other commodity. Wording of the proposed measure would make it clear that the intent of the person making deceptive statements is irrelevant. Under present law, intent to defraud on the part of advertisers must be proved before the Post Office can act.

Morris said the NAREB's interest in the bill stems from its long-standing concern with the problems of fraudulent land sales by mail.

"Fraudulent land sales not

Granite City PRESS-RECORD

Christian Education Week Events Planned

Christian Education Sunday will be observed at Westminster Memorial Methodist Church Sunday. Officers and teachers of the church school will be commissioning in a special portion of the morning worship services, 8:30 and 10:40. The minister, Rev. R. Paul Sims, will officiate at the service.

Another event of Christian Education Week will be the annual Teacher appreciation dinner at the church on Tuesday, Sept. 26. Guest speaker will be Rev. Roger Knox, associate minister of First Methodist Church, Collinsville, and district director of Christian Education for the East St. Louis District of the Methodist Church.

In the morning worship services next Sunday, Rev. Sims' theme will be "Life At the Crossroads," another in the series of messages on the Mount. The concluding sermon in this series will be delivered Sunday evening at 7:30 under the title "Doers of the Word."

'Y' Fitness Director At Conference

Forrest Cockrell, physical director of the local YMCA, is attending a training conference on physical fitness and conditioning at the YMCA in Indianapolis, Ind.

The week-long conference stresses methods of weight reduction, conditioning, muscular development and treatment of common muscular deficiencies and ailments. Those attending are participating in practical work-out sessions and attending lectures and demonstrations. The local "Y" now offers classes and individual work in physical fitness for men and women, but further development of the program is planned this fall.

Sunday Services

A lesson-sermon on "Reality" will be read Sunday at First Church of Christ, Scientist, 2550 Delmar avenue, as well as all other Christian Science Churches. The Golden Text is from II Corinthians.

PUT WANT ADS TO WORK FOR YOU

St. Clair Parking Switch Voted Down

Turned down by Granite City council members Monday night was an ordinance changing no-parking zones along St. Clair avenue between Nameoki road and Dale avenue.

The present ordinance prohibits its parking on the south side, and the proposed change was to permit parking on the south side between Marshall and Wayne avenues and to designate no parking on the north side of St. Clair between Marshall and Wayne.

Alderman Jarrett, who asked for the ordinance to be placed on first reading, said the change was requested by Earl Parsons, proprietor of the Earl of Carl Beauty Salon, 1550 St. Clair avenue.

Parsons was given permission to speak and displayed charts to the council, explaining he had contacted the 15 residents in the block involved and they did not object to the change in parking regulations, with the exception of one family.

He said the safety factor was the reason he was requesting the change.

The council voted 11-4-2 against the proposal.

Mrs. Corinne Rupp, 71, Dies at Hospital

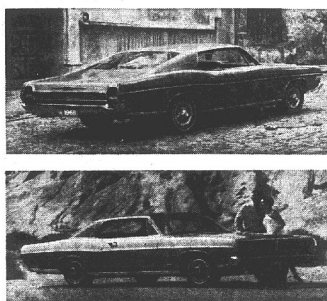

Mrs. Corinne Rupp, 71, of 2021 Cottage avenue, a resident here 59 years, died at 9:30 p.m. Monday at St. Elizabeth Hospital, where she was admitted five hours earlier. She had been ill three months.

Mrs. Rupp, who was born in Newburgh, Ind., moved to Granite City in 1908. She played an active part in helping to organize the YMCA Senior Citizens Club and served as one of the group's first presidents. She was a member of the Shut-In Club of Edwardsville and the First Assembly of God Church.

Surviving are her husband, Fred P. Rupp, two sons, Fred L. Rupp of Granite City and George R. Rupp of Markman, Fla.; one daughter, Mrs. Joyce Hunsche of Fort, Ill.; a brother, Rupp of Granite City and Springfield, Ill.; one sister, Mrs. Pauline Beadle of Newburgh, Ind.; four granddaughters and three great-grandchildren.

Funeral services were held at 1 p.m. today. Details are given elsewhere in this issue.

NEW FORDS FOR 1968 go on display tomorrow at B. E. Hohlt, Inc., 1837 Madison avenue. Shown at the top in the new LX fastback and below is an LTD two-door hardtop with a new normal roof line. They are two of 21 models for the new year.

'68 Fords to be Shown At Hohlt's on Friday

Fords for 1968, substantially altered in appearance, will be on display at the B. E. Hohlt agency, 1837 Madison avenue, starting Friday.

The lineup includes three more models than in 1967, a host of new mechanical and safety features and two new engine options.

Faced by a new, top-of-the-line Torino series, Fairlane for 1968 is completely redesigned inside and out and has fastback body style available for the first time.

To excel in the highly competitive intermediate car market, the new entry is bigger, more luxurious and has a greater variety of power for comfort options. The number of models has been increased from 12 to 14.

Luxury, Comfort
"Our LTD and LX series match the medium-price cars in luxury and comfort, while our Galaxie 500 and Custom 500 models continue to offer the low-price car buyer the type of transportation he seeks," Hohlt said.

The addition of a Galaxie 500 two-door hardtop with a formal roof line and two Custom 500 ranch wagons brings the total of 1968 Ford models to 21. One of the wagons is a six-passenger model, the other a 10-passenger with dual facing rear seats.

New sheet metal below the window line gives the new Ford a longer, lower profile. Three

GC Rotarians Plan BBQ, Golf Tourney

Two special events for Granite City Rotarians—a country barbecue and inter-city golf tournament—are planned for next week, it was announced Tuesday at the club's weekly luncheon meeting in the YMCA.

Arthur R. Koerper, club president, reported arrangements now complete for the annual barbecue supper at the Buryl Moody farm near Highway 189 at 4:30 p.m. Tuesday. The outdoor supper will replace the club's regular midday meeting, Koerper said.

Granite City and Madison Rotarians will again cross clubs in the 1967 inter-club golf classic at the Arlington Golf course next Wednesday, Vincent Bischoff, contest co-chairman, explained. He is accepting registrations this week.

"The Loan Arranger," a film which described general operations of savings and loan associations, was introduced by John Newlin, program chairman, who said the movie was obtained from A. H. Froelting. Approximately 50 members attended.

Charles Ahlers Receives Promotion

Charles H. Ahlers, a son of Mr. and Mrs. C. Murray Ahlers, 4106 Maryville road, has been promoted to Specialist Fourth Class at Cu Chi, Vietnam, where he has been serving with Hq. H & S Btry, 1st Battalion, 8th Artillery, since October 1966.

Sp. 4 Ahlers received his basic training at Fort Leonard Wood, and served at Fort Eustis, Va., and Fort Sil, Okla., Artillery and Missile Center, where he was graduated from radar school.

Cu Chi, the home of the 25th Artillery Division, has been the target of Viet Cong mortar attacks, the latest taking place Sept. 3.

YMCA Swim Team To Start Practicing

The "Y" swim team will start practice at 5 p.m. Oct. 2 at the YMCA pool, it was reported today. Former team members and those wishing to try out should register at the youth department or call TR 6-7200.

The team again plans meetings with nearby YMCAs at Belleville, East St. Louis and Alton.

GC Kiwanis Lauded By Col. Hoskin

Praising the Kiwanians for their efforts and accomplishments involving the youth of America, Col. Charles Hoskin III, Granite City Army Depot commanding officer, compared the Kiwanis International motto "We Build" with the U. S. Army maxim—"Building for Tomorrow."

Addressing members of the Granite City Kiwanis Club and their wives at a "ladies night" dinner Monday evening in the Rose Bowl restaurant, the military officer said "both our organizations—the Kiwanis and the Army—are building for the future."

Col. Hoskin expressed appreciation to the local men's service group for an engraved plaque, presented to the military installation in observance of its 25th anniversary a year ago. He reviewed the Depot's history and narrated a series of colored slides, illustrating the GCAD's facilities, service connections and mission.

Thirty-six members, their wives and guests, including seven Kiwanians from the Collinsville club, were on hand for the dinner meeting. The guest speaker and his wife, Mrs. Hoskin, were welcomed and introduced by club president, Melvin T. Gillie. Freeman Wolfe served as program chairman.

Inter-club guests from Collinsville, included Joseph Webb, president; and Jack Butterfield, Herbert Watts, Barney Reed, William Sneedor, Edward Bartholmey and Victor Williams.

Several awards were presented to Mrs. Hoskin, Mrs. Harriet Horn and Mrs. Kathy Lombardi. Mrs. Phyllis Gillie and Mrs. Zura Graham were responsible for the table decorations and other appointments.

Gas Dealers Report On National Meet

A proposed ban on gimmicks, give-away games and trading stamps in connection with retail gasoline sales was among the principal items debated recently by delegates to the National Congress of Petroleum Retailers annual convention, held at San Juan, Puerto Rico.

Representatives from all 50 states were among the 200 convention delegates, including three local service station operators who are officers of the Quad-Cities Gas Dealers Association.

The trio, accompanied by their wives, included Ralph E. Strain, association president; Walter Sparks, vice-president; and Leonard Andersen, delegate.

In addition to the proposal to eliminate give-aways, and contests, Strain reported that national congress members also stressed much needed improvements in the areas of profitability and station leasing. He said that a business sessions, group discussions and committee meetings were conducted throughout the six-day convention, staged in the El San Juan and Americana hotels.

Addressing the conferees were the Hon. Roberto Sanchez Vilella, governor of the Commonwealth of Puerto Rico, and Felisa R. Gantier, mayors of San Juan for the past 21 years. Other speakers represented the Federal Trade Commission, Small Business Administration and the U. S. Department of Justice.

During the convention hours, wives were entertained with fashion shows, luncheons and a tour of the island. A beach party was enjoyed by all delegates and the conference concluded with a banquet and grand ball.

SIU Trustee Board Meets Tomorrow

The Southern Illinois University board of trustees will hold its September meeting Friday morning at the president's office on the Carbondale campus. Convening at 9:30 a.m., the board will consider the University's internal budget for the 1968 fiscal year. Also scheduled for study is an admissions policy for high ranking school seniors and a statement of policy concerning use of University facilities for events and meetings.

Items especially affecting the southwestern campus include a proposal for resident housing, parking lot and garage construction, and bids for construction of a water pump station.

Hair Styling Contest Winners Announced

The Granite City School of Beauty Culture held a trend styling contest at the school this week with junior and senior students participating.

Each student selected a model on which to create the new trend hair style called the "Living Doll."

The students were allowed a 45-minute comb-out and each was judged on adaptability, technical execution and originality. The winners were Madeline Epperson, first; Pamela Crews, second; and Pauline Lindsey, third. The models were Lucille Schannot, Cheryl Howard and Donna Corrie.

COUPE DE VILLE of the 1968 Cadillac line is among those on display today at the Elder Cadillac, Signal Hill, Belleville. Exterior changes include a new grille and larger parking lights, redesigned cornering lights and new marker lights on the side.

Runners up were Linda Bolton, Mulnik. Vivian Bidwell and Delores

Jenkins, Judy Broshaw, Sue Cook and Martha Smith.

Expanded Bus Service To SIU-SW from Area

Southern Illinois University-Southwestern campus has announced a new, expanded special bus service for commuting students linking the main campus with the East St. Louis and Alton centers.

The fall schedule will also include stops at the Madison school crossing, St. Elizabeth hospital and the shopping center in Granite City; the intersection of Route 143 and Broad-

way in East Alton; and the Route 143-Broadway intersection in Wood River. Fifty-minute service will be provided between the East St. Louis center and the main campus, and between the Alton center and the campus. Buses will leave the East St. Louis center for the main campus at 7:30 a.m., 9:30 a.m., 11:30 a.m. and 3:30 p.m. Departures from the Alton center will be at 7:30 a.m., 9:30 a.m., 1:30 p.m. and 5:30 p.m. Bus service for the fall began Wednesday. Complete schedules for all using office in the new University Center.
